

DATA MANAGEMENT JOB FAMILY

CAREER PATH

Senior Data Specialist

Positions at this level are accountable for the development, enhancement, and maintenance of databases or data integrations of moderate complexity and risk/impact for assigned organizational areas. This position may be accountable for multiple databases and data management teams. Senior specialist positions perform highly complex data assignments involving multiple small, complex, platforms or a singular large platform. Employees are accountable for data security, validation, evaluation, and implementation. Senior Data Specialists interact with stakeholders or business partners, including vendor staff. Incumbents work on and solve highly complex problems where analysis requires in-depth evaluation of various factors. They provide highly complex technical support in relevant fields of discipline and may serve as project lead and/or provide technical direction to other project team members.

Knowledge, Skills, and Abilities

In addition to those identified in the previous levels within this career path:

Comprehensive working knowledge of and the ability to demonstrate successful use of programming languages, computer equipment, and associated software/databases in the performance of duties.

Comprehensive working knowledge of and the ability to demonstrate understanding of all assigned areas of data management, as well as the laws, principles, and practices as they are related to implementation within the agency.

Comprehensive working knowledge of and the ability to demonstrate understanding of the agency's policies, procedures, rules, and regulations in the performance of duties.

Comprehensive working knowledge of and the ability to demonstrate understanding and successful use of the principles and practices of project management techniques in the performance of duties.

Possess and demonstrate successful communication skills in English via all modes of communication.

Possess and demonstrate successful management and prioritization of work within predetermined deadlines and stressful/adverse situations.
