

Annual Report

Missouri State Highway Patrol

2012

VISION

MISSION

VALUES

By excelling as a criminal justice leader in the delivery of quality services, the Missouri State Highway Patrol will ensure Missouri is a safe place to live or visit.

The Missouri State Highway Patrol will serve and protect all people by enforcing laws and providing services to ensure a safe and secure environment.

The Missouri State Highway Patrol believes public trust and respect must be earned and are essential to attain our vision and accomplish our mission. To maintain public trust and respect, we embrace the following values:

INTEGRITY – Uncompromising principle; honesty; steadfast adherence to a strict ethical code.

RESPONSIBILITY – Accountability; trustworthiness; use of good judgment.

RESPECT – Fairness without prejudice; appreciation for diversity.

PROFESSIONALISM – High standards; dedicated to our mission; unified in purpose.

COMPASSION – Concern with human welfare; ability to appreciate feelings or emotions of others.

RESOURCEFULNESS – Creativity; the ability to be effective in difficult situations.

CHARACTER – We are committed to respecting individual dignity in all people and to providing services in a fair, consistent, and impartial manner to the best of our ability. As caring and innovative professionals, the men and women of the Missouri State Highway Patrol will strive to maintain a safe environment through a service orientated organization capable of addressing the most complex challenges that confront us.

COMMITMENT – We are committed to providing services from knowledgeable, capable, and willing employees. We are committed to respecting each employee as an individual and for his or her role in the department. We are committed to maintaining a sense of pride and camaraderie within our department, and to having a workplace where employees are supportive of each other and loyal to the values and commitments of the department.

LETTER OF TRANSMITTAL

To The Honorable Jeremiah W. "Jay" Nixon, Governor of Missouri

On behalf of the Missouri State Highway Patrol, it is our privilege to present for your review the Missouri State Highway Patrol's 2012 Annual Report.

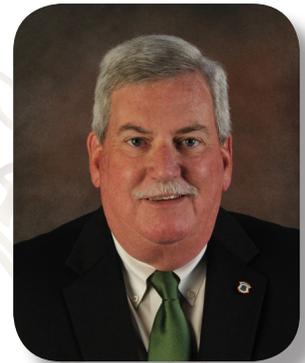

Early in the year, we recognized Missouri was experiencing an increase in traffic fatalities. Col. Replogle recorded a special public service announcement encouraging the use of seat belts and child restraint seats. We continued educating the public with public service announcements featuring the states in the NCAA's Southeastern Conference and later, the St. Louis Cardinals. Drivers were encouraged to buckle up, pay attention, and drive sober. The Click It 4 Life campaign brought a new angle to the message using T-shirts thrown out during high school sporting events. By the end of 2012, the fatality increase fell from over 20 percent to five percent.

Patrol employees continue to serve and protect the citizens of this great state with dedication, expertise, and professionalism. On November 17, 2012, the Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA) awarded accredited status to the Missouri State Highway Patrol for the seventh time—this time with excellence.

We are confident the 2012 Annual Report will reflect the caliber of men and women who are your Missouri State Highway Patrol.

COURAGE & DEDICATION

Missouri Medal Of Valor

At a ceremony on October 11, 2012, Governor Jay Nixon presented eight Missouri Medals of Valor. Among the recipients was Trooper James C. Cooksey, Troop E. (For more details, see Troop E page 22.)

DPS Employee Of The Month

Department of Public Safety Director Jerry Lee presented the March 2012 DPS Employee of the Month award to Troopers Darwin R. Hukill and Trooper Kelsey J. Rutledge, both Troop D. The troopers followed up on a report of suspicious behavior at a residence. The contact resulted in an investigation that recovered property from numerous residential and commercial thefts with an estimated value of \$100,000. A follow-up investigation included Tprs. Hukill and Rutledge, the Rural Crimes Investigative Unit, and area law enforcement agencies. This investigation resulted in the clearing of 20 theft cases in seven counties in Southwest Missouri and Southeast Kansas.

Sergeant Jason B. Trammell, Q/DDCC, accepted the April 2012 DPS Employee of the Month award. The award was a way to recognize Sgt. Trammell's work as a polygraphist. During one investigation, his interviewing skills resulted in a babysitter confessing to shaking a baby. During a second investigation, a murder suspect confessed to Sgt. Trammell and then led investigators to the victim's body and the murder weapon.

2012 Patrol Awards

Valor Award

Trooper David W. Crank, Troop E
Sergeant Shawn L. Price, Q/AD

Civilian Of The Year

Building & Grounds Maintenance Supervisor
Roy D. Barton, Troop B

Purple Heart

Corporal J. Shane Stewart, Troop A

Lifesaving Awards

Trooper Chris D. Hamlett, Q/GD
Trooper Tim W. Murrell, Troop A
Corporal Chris M. Clair, Troop A
Sergeant Rick J. Sanders, Troop E

Benjamin Oliver Booth

Officer Of The Year

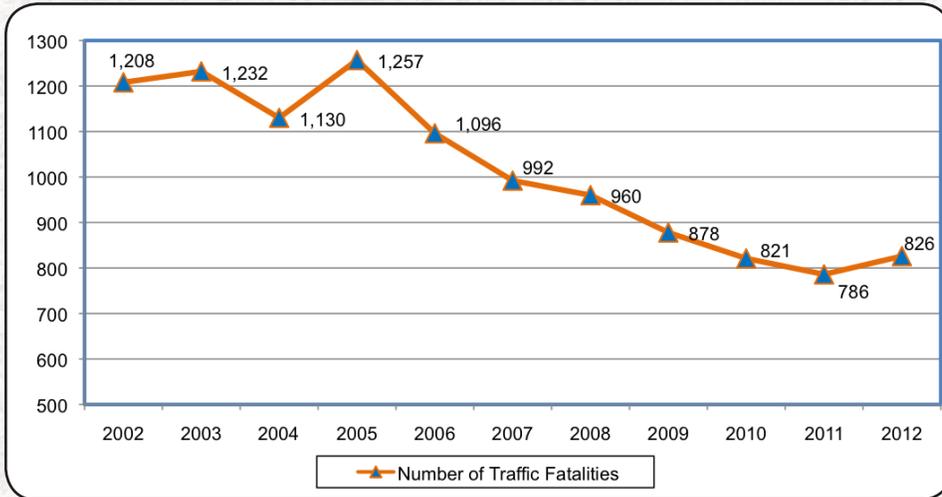

Corporal Mike A. Halford, Troop F

SAFETY INITIATIVES: ENFORCEMENT & EDUCATION

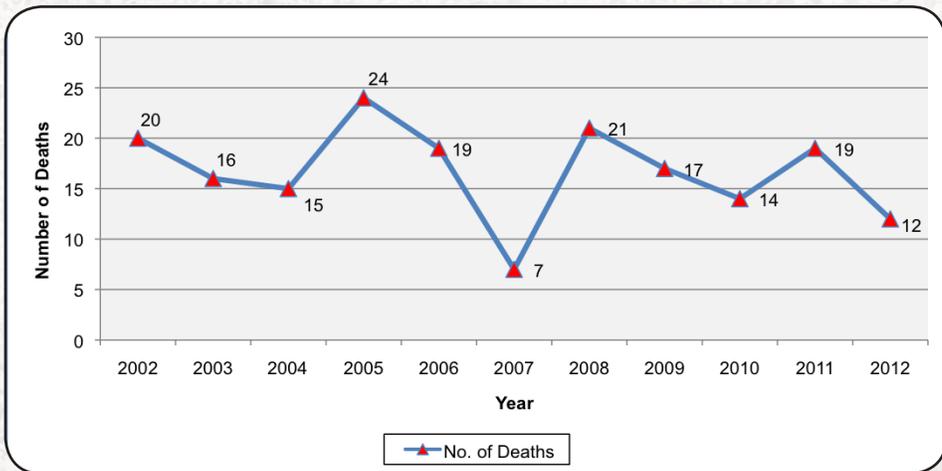

- The Patrol held 59 **sobriety checkpoints**, which yielded 241 driving while intoxicated arrests. (See Enforcement, page 16.)
- In addition to the daily enforcement of **construction/work zones**, the Patrol held 343 special enforcement operations in construction/work zones. Troopers issued 1,721 summonses for hazardous moving violations during these operations.
- The 2012 **Click It Or Ticket** campaign took place over a two-week period. During this Selective Traffic Enforcement Program, nearly 2,000 traffic stops were made. (See Enforcement, page 17.)
- **Operation C.A.R.E.** — The Highway Patrol participated in Operation C.A.R.E. (Combined Accident Reduction Effort) over the major holidays in 2012. (See Enforcement, page 16.)
- **20-Mile Trooper** — This project targeted specific interstates and highways in an effort to promote visibility in high volume traffic areas. Troopers patrolled at 20-mile intervals during Memorial Day, Independence Day, Labor Day, and Thanksgiving holiday weekends. This resulted in a total of 20,710 warnings and 9,719 arrests in 2012.
- Statewide, 13 **public information and education officers** provide programs and displays, and disseminate news releases and public service announcements. (See Public Information & Education Division, page 45.)
- The Missouri State Highway Patrol and the Missouri Department of Transportation hosted a **Distracted Driving Summit** on February 16-17, 2012, at the Capital Plaza Hotel, in Jefferson City, MO. (See Public Information and Education Division, page 16-17.)
- As part of the Patrol's Click It 4 Life campaign, members assigned to Troop C and the Public Information and Education Division worked with the Cardinals promotions team to find a new way to promote seat belt safety. The Training Division's MultiMedia Unit personnel recorded the **public service announcements** at Busch Stadium. (See Public Information and Education Division, page 45.)
- The Patrol's Public Information and Education Division coordinated a **special public service announcement** with state law enforcement agencies in the NCAA's South-eastern Conference. This PSA used the excitement of the University of Missouri-Columbia's move to the SEC to remind everyone that it's important to buckle up, watch their speed, pay attention, and drive sober. (See Public Information and Education Division, page 45.)

RECREATIONAL BOATING FATALITIES

TROOP MAP

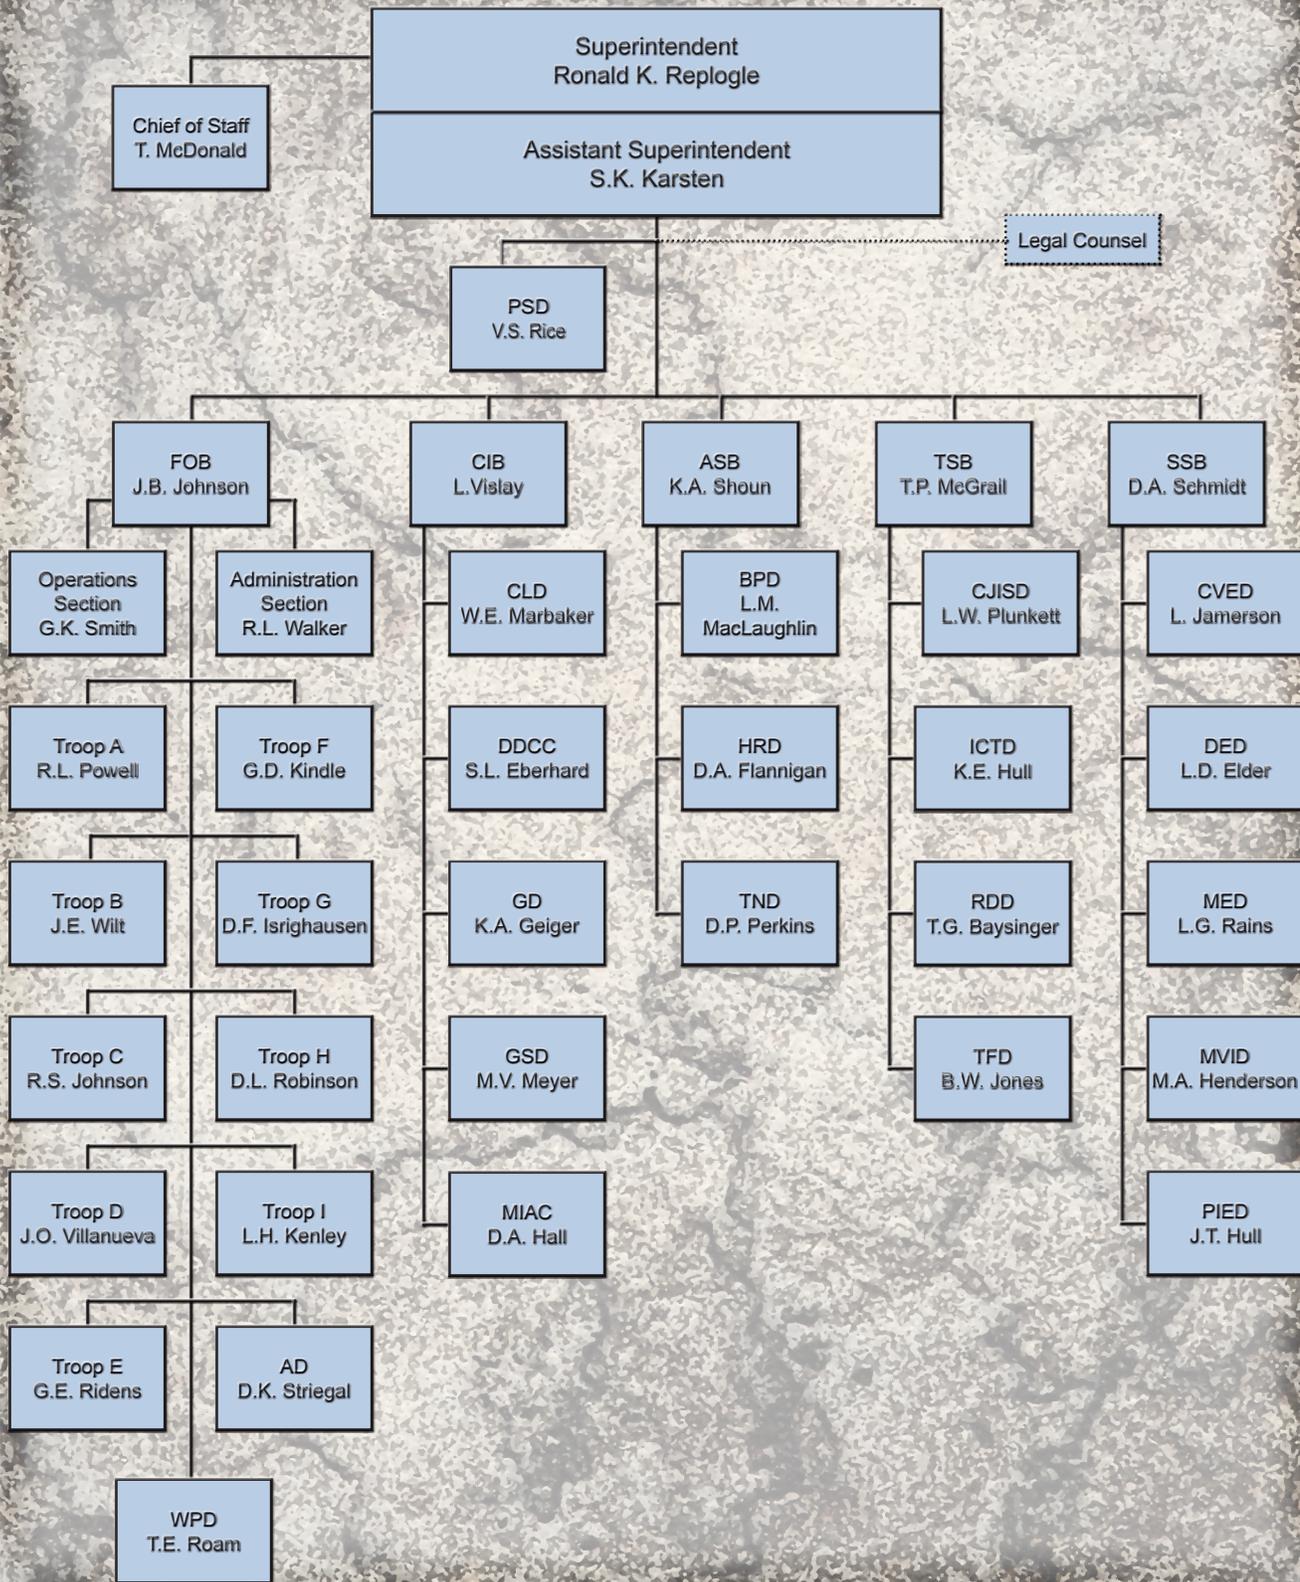

LABORATORY LOCATIONS

TROOP HEADQUARTERS

ORGANIZATIONAL STRUCTURE

SUPERINTENDENT

The Missouri State Highway Patrol is organized pursuant to Chapter 43 RSMo. The statutes within Chapter 43 RSMo. established the Patrol and designated the superintendent as being in command of the agency. The superintendent performs the functions and duties prescribed by Missouri law, administrative regulations, and directives from the governor.

The Missouri State Highway Patrol command structure includes five bureaus: Field Operations, Criminal Investigation, Technical Services, Support Services, and Administrative Services.

Colonel Ronald K. Replogle

ASSISTANT SUPERINTENDENT

All five bureau commanders and the director of the Professional Standards Division report directly to the assistant superintendent. The Patrol's legal counsel is assigned to the agency by the Missouri Attorney General's Office.

**Lieutenant Colonel
Sandra K. Karsten**

CHIEF OF STAFF

The chief of staff serves at the pleasure of the superintendent. He is considered a member of the Patrol's command staff and serves as the Patrol's legislative liaison.

Captain Timothy McDonald

PROFESSIONAL STANDARDS DIVISION

Capt. Vince S. Rice
Director

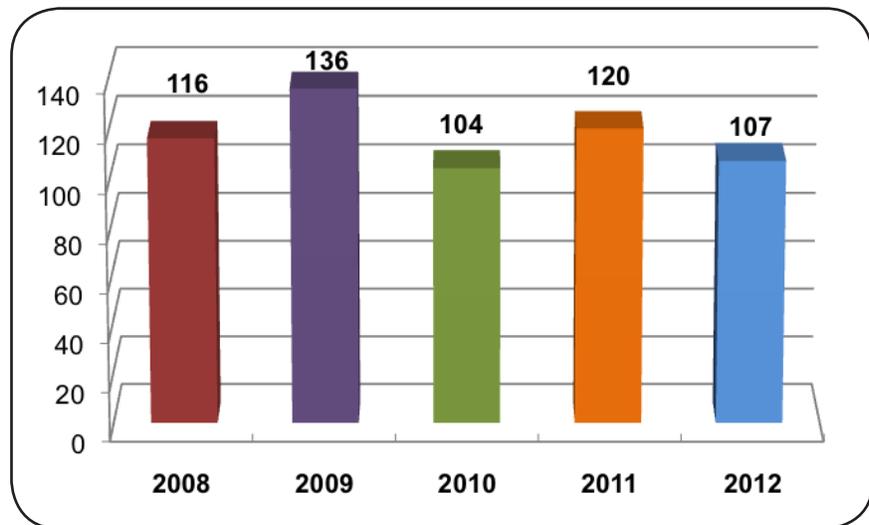

The Professional Standards Division provides management with a centralized investigative unit that conducts agency-wide, internal disciplinary investigations in a consistent, professional, impartial, and timely manner. The division's primary function is to ensure the integrity of the Patrol and its personnel, both commissioned and civilian employees. This is accomplished through a comprehensive and objective process of investigating allegations of employee misconduct.

The goal of the Professional Standards Division is to respond in an appropriate and timely manner to all allegations of misconduct through detailed investigations, not only to verify allegations, if true, but also to protect employees from false allegations. The division closely monitors departmental disciplinary procedures to promote uniformity and impartiality in the discipline process, identify potential problems and possible corrective actions, and safeguard the rights and due process protections of both citizens and employees.

During calendar year 2012, the Professional Standards Division processed 107 complaints of misconduct against 107 employees. The complaints of misconduct came from both the general public and internal sources. Thirty-six percent of the complaints came from the general public, 27 percent were from Patrol employees, and 36 percent were administrative referrals within the agency. Of these 107 complaints, 34 were resolved to the complainants' satisfaction without the need of a formal investigation. Investigators assigned to the Professional Standards Division handled all internal cases requiring a formal investigation in 2012. Furthermore, the division investigated 11 incidents during the year involving the use of deadly force by an employee and conducted 27 special inquiries at the direction of the superintendent.

The chart to the right reflects the Professional Standards Division's annual statistics for the total number of complaints submitted against Patrol employees for the past five years.

COMPLAINTS BY YEAR

FIELD OPERATIONS BUREAU

Major J. Bret Johnson is commander of the Field Operations Bureau with oversight responsibility for the Aircraft Division, Water Patrol Division, all nine troops, the canine units, marijuana eradication, Major Crash Investigation Unit, Special Weapons and Tactics (SWAT) teams, Filling a V.O.I.D. Program, and Field Training and Evaluation Program.

Major J. Bret Johnson
Commander

Captain Gregory K. Smith
Operations Section

Captain Ronald L. Walker
Administration Section

ENFORCEMENT

Canine (K-9) Program

The Missouri State Highway Patrol has 11 canine units assigned throughout the state. In 2012, officers received 573 requests for service. The canine teams conducted 282 vehicle searches that resulted in drug seizures, 19 building searches, 46 tracking searches, three area searches, and eight crowd control deployments. Officers also participated in 39 public appearances and canine demonstrations. Seizures credited to the canine teams in 2012 included a total of 1,217 pounds of marijuana, 35 pounds of cocaine, 52 grams of crack cocaine, 2.7 pounds of methamphetamine, 1/2 pound of psilocybin mushrooms, two weapons, and \$569,140 in currency.

Special Weapons And Tactics (SWAT) Teams

The Missouri State Highway Patrol has four fully equipped SWAT teams, which are assigned to Troop A, Troop C, Troop D, and Troop F. The teams are comprised of officers assigned to regular road duty and the Division of Drug and Crime Control. In 2012, Patrol SWAT teams responded to a total of 31 incidents and numerous other calls for service. The activations included barricaded subjects, high-risk search and arrest warrants, presidential security details, and manhunts. The calls for service involved providing security details for the Missouri Department of Health and Senior Services during shipments of the Strategic National Stockpile.

Operation C.A.R.E.

The Missouri State Highway Patrol takes an active role in the Operation C.A.R.E. programs, both nationally and in Region VII. C.A.R.E. operations were conducted on all major highways throughout the annual holiday periods. In 2012, officers of the Missouri State Highway Patrol made 996 DWI (alcohol/drug) arrests, 18,128 speed arrests, 7,885 seat belt arrests, 485 child seat violation arrests, and 938 drug arrests during C.A.R.E. operations. Officers also recorded 15,961 motorist assists and investigated 2,401 traffic crashes during Operation C.A.R.E. enforcement weekends.

Criminal Interdiction

The interdiction of contraband transported on Missouri's highways continues to be a priority of the Missouri State Highway Patrol. In 2012, officers made 131 criminal arrests and seized 2,826 pounds of marijuana, 36 pounds of cocaine, 10 pounds of methamphetamine, 1/2 pound of hashish, 1/2 pound of psilocybin mushrooms, eight weapons, and \$559,119 in currency.

Sobriety Checkpoints

The Patrol conducted 59 sobriety checkpoint operations during 2012, checking more than 21,688 vehicles for intoxicated drivers. A total of 241 persons were arrested for driving while intoxicated. The Patrol made 1,302 total arrests while conducting sobriety checkpoints

Tpr. Paul C. Long, Troop C, takes position during a SWAT call-out in Troy, MO.

throughout the state, including 101 misdemeanor drug arrests, 11 felony drug arrests, and nine other felony arrests. The Patrol also issued 1,942 warnings. The sobriety checkpoints are funded by a grant from the National Highway Traffic Safety Administration through Missouri Department of Transportation, Office of Highway Safety.

Major Crash Investigation Unit

The Patrol's Major Crash Investigation Unit (MCIU) has team offices in Higginsville, MO, Wentzville, MO, Rogersville, MO, and Jackson, MO.

The following is a breakdown of the number of crashes reconstructed by each team: Team 1, Higginsville —

Continued on the next page.

ENFORCEMENT

29; Team 2, Wentzville — 49; Team 3, Rogersville — 25; and Team 4, Jackson — 22. Additionally, the MCIU members responded to 211 calls for service in assisting Patrol members and other agencies with mapping of homicide scenes, crash data retrieval system downloads, photography of crash scenes, and mapping and crash scene expertise.

Click It Or Ticket

The Click It Or Ticket operation is an occupant protection Selective Traffic Enforcement Program (STEP). The 2012 enforcement campaigns lasted two weeks. Various enforcement techniques were used during the period of enforcement, and include saturation patrols and routine patrols. Whatever enforcement tactics are used, keeping traffic enforcement visibly present for the entire enforcement period is a central component of the operation. As a result of nearly 2,000 traffic stops, the following arrests were made:

- Seat Belt — 578
- Child Restraint — 25
- DWI — 6
- Commercial Vehicle Enforcement-related — 5
- Speed — 305
- Careless & Imprudent — 6
- Failed To Yield — 2
- Stop Sign — 3
- Following Too Close — 7
- Non-Moving Violations — 192
- Misdemeanor Drugs — 13
- Other Misdemeanors — 61
- Felonies — 9
- Driver License — 63

Additionally, 1,471 warnings were written.

Dive Team

The Missouri State Highway Patrol has a 12-member Dive Team, comprised of officers assigned to marine operations and road duty across the state. In 2012, the team responded to 28 calls for assistance from federal, state, and local agencies. Of those 28

calls, 12 dive operations resulted in recoveries, five dive operations did not include recoveries, and 11 dive operations were classified as unfounded. The Patrol requested nine dives; other agencies requested 19 dives. The dive operations included searches for bodies, weapons, vehicles, stolen items, and public service dives. The dive team recovered 10 vehicles, three bodies, two weapons, and one safe. The team performed a public safety dive for the U.S. Forestry Service, thereby preventing a flash flood.

Filling a V.O.I.D. (Victims of Impaired Drivers)

The Highway Patrol provides comprehensive assistance to victims of DWI-related (driving while intoxicated) crashes through the Filling a V.O.I.D. program. Officers and a civilian victim advocate help victims and their families obtain assistance from victim service providers.

During 2012, the Patrol provided crime victim assistance to 61 children, 386 adults, and 15 elderly persons.

Law Enforcement Traffic Safety Advisory Council (L.E.T.S.A.C.)

On July 12, 2012, Trooper Adam S. Huskey, Troop C, accepted L.E.T.S.A.C.'s "Traffic Officer Of The Year" award at its annual conference at Lake Ozark, MO. The group recognized Tpr. Huskey's devotion to duty, dependability, and leadership. In 2011, Tpr. Huskey issued 764 citations and 542 warnings. He arrested 63 people for driving while intoxicated.

Crash team members investigated this traffic crash involving a commercial vehicle.

TROOP A

Organized in 1931. ● Located in Lee's Summit, MO. ● Serves 13 counties.

Capt. Robert L. Powell
Commanding Officer

In 2012, two members of Troop A were honored for their service to their communities. In June, Forty and Eight honored Trooper Alex R. Vivas as the 40/8 Law Officer of the Year. Forty and Eight is an independent, by invitation, honor organization of male and female U.S. veterans. Each year, they honor a law enforcement officer. This year, they honored Tpr. Vivas for his outstanding enforcement efforts. In August, the United States Attorney General's Office recognized Trooper Greg K. Tesch with the Enoch Morelock Award. The MASTERS presented its Public Service Award to Tpr. Tesch at the annual awards banquet. These awards honored Tpr. Tesch for his volunteer work with such organizations as Boy Scouts of America, Literacy Kansas City, The American Red Cross, and Missouri Special Olympics.

In July, Kauffman Stadium hosted the Major League Baseball All-Star Game. The magnitude of this event required months of planning and the need to reconfigure highway ramps. The Patrol provided 30 troopers, five support personnel, a helicopter, and two mobile command center vehicles for traffic control. Despite working under extremely hot and humid conditions, troopers diligently guided traffic in and around the stadium during the three-day event with great success. In fact, in the July 11, 2012 edition of *The Kansas City Star*, an article written by Reporter Mike Hendricks entitled "Report Card," gave the Patrol an "A" for traffic control.

Troop A Sergeant R. Brooks McGinnis and Corporal Greg D. Primm had a busy and productive March. On March 7, Cpl. Primm stopped a vehicle on Interstate 70 in Saline County and located 51 pounds of marijuana. On March 13, Sgt. McGinnis conducted a traffic stop on Interstate 70 in Saline County and located 117 pounds of marijuana. Later that same day, Cpl. Primm stopped a vehicle traveling east on Interstate 70 in Saline County and located two pounds of methamphetamine. Troop A criminal interdiction efforts for 2012 resulted in 469 pounds of marijuana, 36 pounds of cocaine, 3.3 pounds of methamphetamine, and 30 ecstasy tablets being seized.

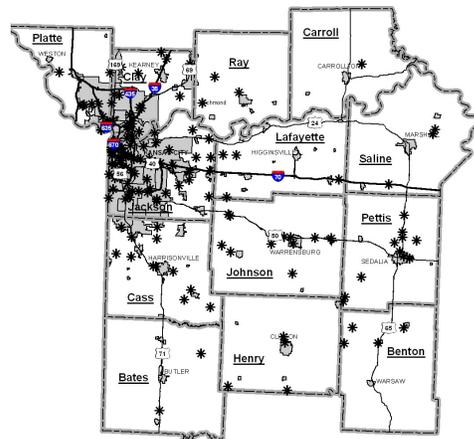

The "Trooper Fred F. Guthrie Jr. Memorial Highway" is a portion of Interstate 29 between Missouri Highway 273 (near Tracy, MO) and Missouri Route E (near Camden Point, MO). This designation became official during a special ceremony on October 5, 2012.

Troop A welcomed seven new troopers from the 95th Recruit Class. Both the 19th Annual Corporal Michael E. Webster Memorial Blood Drive and the 10th annual Trooper Michael L. Newton Toy Drive met with great success.

The Guthrie family is pictured with the memorial highway sign during the dedication ceremony.

Troop A

*** Patrol investigated fatalities = 73**
Total fatalities = 172

TROOP B

Organized in 1931. ● Located in Macon, MO. ● Serves 16 counties.

Capt. James E. Wilt
Commanding Officer

In March 2012, Troop B implemented a new traffic enforcement program called "Operation S.T.O.P." The goal of Operation S.T.O.P. (Stop, Think, Observe, and Proceed) is to reduce traffic crashes at intersections with a higher rate of traffic crashes. At many area intersections, serious traffic crashes have occurred as a result of motorists failing to stop at stop signs or failing to yield to other vehicles as they enter the intersecting roadway. During these enforcement operations, a Patrol aircraft is utilized to observe violations.

On March 24, 2012, Troop B welcomed students representing 14 area high schools to its Student Alliance Program. Twenty-six students completed the program. The program was conducted at the Troop B Headquarters in Macon, MO, on two consecutive Saturdays. The program is designed to provide an opportunity for interested students to learn more about law enforcement and the Missouri State Highway Patrol.

In April, Troop B hosted a media event to formally introduce Troop B canine "Justo" and his handler, Trooper Terry J. Adams. (The canine team officially began their duties on November 7, 2011.)

The Patrol honored Troopers Michael W. Coleman and J. Patrick Johnson with Lifesaving Awards at its annual awards ceremony on April 14, 2012. The awards were the result of the officers' quick actions and ability to perform successful cardiopulmonary resuscitation to an unresponsive Marion County resident.

During 2012, Troop B officers were involved in several serious incidents and investigations. Some of the incidents were investigated or coordinated with county and city law enforcement agencies. In March, Troop B officers assisted with the search for a missing six-year-old autistic child in Knox County. On the second day of the search, members of a Missouri State Highway Patrol Dive Team discovered the missing child had drowned in an area pond. In October, Troop B officers assisted the Moberly Police Department, Federal Bureau of Investigation, and the Randolph County Sheriff's Department with the apprehension of two violent criminals in Moberly, MO. A Patrol SWAT team was activated and the suspects were taken safely into custody. Both of these instances are examples of the good working relationship Troop B has with area law enforce-

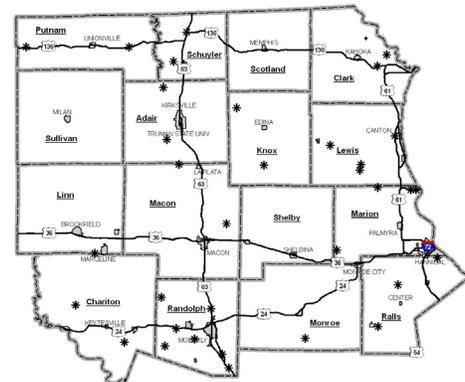

Marine operations troopers search a pond for a missing child.

ment agencies, which promotes safety for those who live in the area.

On November 12, 2012, 19 Troop B citizens completed the 2012 Troop B Community Alliance Program. During this year's 10-week program, participants were exposed to many facets of the Patrol, including recruit training, firearms, criminal investigations, and traffic enforcement.

In an effort to efficiently utilize space at the Troop B complex, Troop B Building & Grounds Maintenance Supervisor Roy D. Barton and Building & Grounds Maintenance II J. Todd Davis completely renovated the old radio transmitter building on the east side of the Troop B Headquarters. This renovation created office space for investigators assigned to the Division of Drug and Crime Control who work in the Troop B area. The renovation allowed for improved employee work areas and provided a much needed space for a small conference room on the main floor of the troop headquarters building.

Troop B

*** Patrol investigated fatalities = 38**
Total fatalities = 38

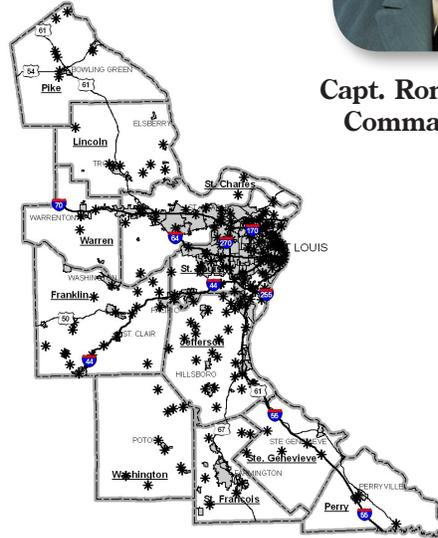

TROOP C

Organized in 1931. ● Located in Weldon Spring, MO. ● Serves 11 counties.

Capt. Ronald S. Johnson
Commanding Officer

Troop C

*** Patrol investigated fatalities = 115**
Total fatalities = 216

On May 28, 2012, Troop C officers and SWAT team responded to Florissant, MO, to assist with a manhunt for a subject who shot Florissant Police Officer Michael Vernon. The subject had just committed a burglary, and when contacted by Officer Vernon, shot the officer twice causing life-threatening injuries. After an extensive, large-scale manhunt, the suspect was located and taken into custody.

On July 25, 2012, Troop C SWAT team assisted the St. Charles County Sheriff's Department with a manhunt for a suspect who shot two St. Charles sheriff's deputies. Deputies responded to a disturbance call, and upon arrival, a subject shot the deputies from outside the residence. The deputies sustained nonlife-threatening injuries. After the shooting, the suspect fled on foot and was believed to be in the residential area. During the manhunt, St. Charles County Sheriff's Department SWAT team encountered the suspect who lunged at deputies with a knife, wounding one of them. The officers shot and fatally wounded the suspect.

July 21-25, 2012, the Conference of Chief Justices and Conference of State Court Administrators met at the Four Seasons Hotel in St. Louis. Over 200 attendees and family members were present. The Patrol provided security for the hotel and off-site venues. Troop C provided 19 officers, Troops E and F provided five officers each, and the St. Louis Metropolitan Police Department provided 10 officers to complete the security detail.

On October 1, 2012, Troop C kicked off the Click It 4 Life campaign by recording public service announcements with players from the St. Louis Cardinal's baseball organization. Sergeant Al P. Nothum, Sergeant Amy E. Reynolds, Trooper Juston R. Wheatley, and Trooper Derek A. Mason participated in the video announcements with Cardinal players Jason Motte, Matt Carpenter, Joe Kelly, Shelby Miller, and Jon Jay.

On November 10, 2012, the Second Annual Run for Remembrance took place. The run was dedicated to law enforcement officers and first responders who have made the ultimate sacrifice. Approximately 280 runners participated.

On December 15, 2012, Troop C officers and SWAT team responded to Washington County to assist with the fatal shooting investigation of a Washington County Sher-

iff's Department deputy. Deputy Christopher R. Parsons responded to a residence for a medical case and while there, a subject shot and fatally wounded him, then fled on foot into a wooded area. Troop C officers, SWAT team, and Patrol aircraft searched the area for the suspect, and after a lengthy manhunt, took him into custody.

Troop C conducted seven Operation P.R.O.T.E.C.T. (Patrol Response Operation to Enforcement Of Construction/Work Zone Traffic) assignments resulting in 488 arrests and 459 warnings. Operation A.R.R.E.S.T. (Alcohol Related Response Enforcement Strike Team) was conducted monthly, resulting in 51 DWI arrests and 425 other arrests. These enforcement efforts were an important part of Troop C's objectives to continue the reduction of fatal traffic crashes.

November 8, 2012, Mothers against Drunk Driving recognized 15 Troop C officers at their annual "Heroes for Heroes" awards banquet. These officers had a combined total of 502 DWI arrests in 2012.

TROOP D

Organized in 1931. ● Located in Springfield, MO. ● Serves 18 counties.

Capt. Juan O. Villanueva
Commanding Officer

Storms throughout Troop D dominated the news again in 2012. On February 29, 2012, severe storms killed one and injured dozens of others in damage reported in Barton, Barry, Stone, Taney, Cedar, Dallas, and Hickory counties. One of the hardest hit areas was Branson, where an EF-2 tornado carved a path of destruction down Missouri Highway 76 (Country Music Boulevard), from the far west side of town to the east on Mt. Branson. Troopers worked with other emergency responders in assisting victims, and later assisted with traffic control for utility crews.

Troop D finished 2012 with a 50% reduction in boating fatalities and a 33% reduction in the number of drownings compared to 2011. There was no increase in the total number of traffic fatalities over 2011.

The Department of Public Safety named Troopers Kelsey J. Rutledge and Darwin R. Hukill Employees of the Month for March 2012. In October, at the International Association of Chiefs of Police Annual Conference in San Diego, CA, Trooper W. Sean Lashmet was recognized for outstanding service with an honorable mention for the 3M Looking Beyond The License Plate Award.

Along with remembering the one year anniversary of the devastating tornado that destroyed many parts of Joplin and killed 161 people, President Barack Obama honored Joplin High School students at their graduation ceremony on May 20, 2012. Held on the campus of Missouri Southern State University, the Patrol sent a contingent of over 80 troopers and communications personnel to assist with security and escort duty. Troop D personnel also assisted with the security detail of former First Lady Laura Bush during her December visit to College of the Ozarks in Point Lookout, MO.

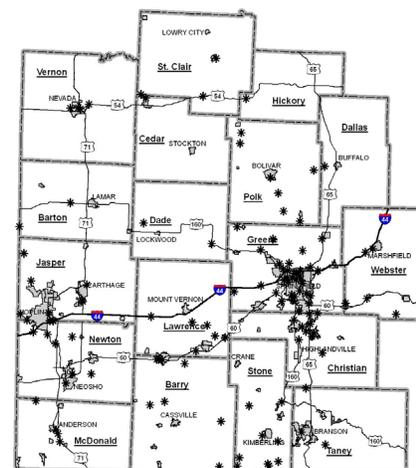

High temperatures and drought spawned several brush and grass fires in Southwest Missouri throughout the summer months. Most notably were fires in Christian, Polk, Lawrence, and Newton counties, which burned several hundred acres. Troopers assisted with closing roads and rerouting traffic, and Sergeant Daniel P. Wohnoutka, Q/AD, assisted firefighters and law enforcement in directing resources based on his observations from the air. One fire in Newton County forced the closure of Missouri Highway 59, north of Diamond, MO, for approximately eight hours.

In September, troopers responded to a plane crash in Greene County, north of Willard, MO, which claimed the lives of five Springfield, MO, residents. In addition to securing the scene, troopers assigned to the Major Crash

Investigation Unit assisted federal authorities by completing a forensic map of the crash site. Personnel also responded and assisted, in November, with another fatal plane crash in Lawrence County, west of Stotts City, MO, which claimed the life of a Neosho, MO, man.

Changes to the D-4 Weigh Station in Newton County, west of Joplin, MO, were made this fall. Remodeling the interior of both buildings enhanced security measures and created a more functional work environment. In addition, each scale was closed for approximately four weeks while crews replaced framework and concrete for the weighing pads.

Troop D

*** Patrol investigated fatalities = 90**
Total fatalities = 133

TROOP E

Organized in 1931. ● Located in Poplar Bluff, MO. ● Serves 13 counties.

Capt. George E. Ridens
Commanding Officer

On February 29, 2012, in the early morning hours, an EF-3 tornado struck rural Stoddard County. This line of storms had spawned numerous tornadoes earlier in Southwest Missouri. Its wind speed was in excess of 140 mph, and it was 21 miles long with a width of 550 yards. One fatality was reported in Troop E as a result of the tornado.

On March 10, 2012, at approximately 10 p.m., Corporal J. Shane Stewart was shot while assisting another officer on a traffic stop. While speaking with one of the four occupants outside the vehicle, another passenger inside the vehicle began firing a handgun, striking Cpl. Stewart in the neck. Cpl. Stewart and the other trooper returned fire. One of the occupants was struck and killed and a second passenger in the vehicle was shot also during the exchange of gunfire. (On May 25, 2012, the Missouri House of Representatives recognized Cpl. Stewart, Trooper David W. Crank, and Sergeant Rick J. Sanders as Outstanding Missourians.)

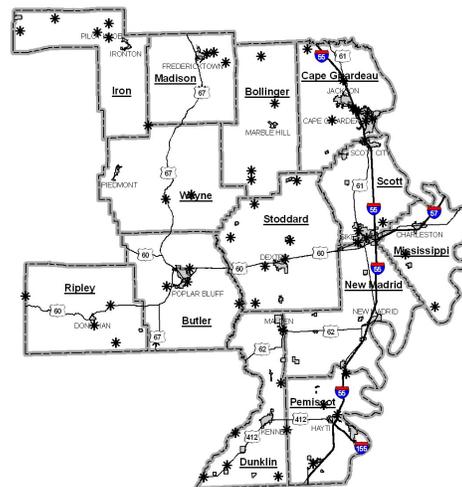

Sgt. Gregory G. Morgan runs the indoor range during Troop E's 2012 Community Alliance program. Eleven members of the community attended the seven-week program to learn about the Patrol's mission and responsibilities.

Tuesday, June 5, 2012, was described as an unforgettable day. At approximately 9 p.m., a line of severe thunderstorms moved through Southeast Missouri, packing 70 to 80 mph straight-line winds. There were three fatalities reported from this storm. Later in the night, at approximately 11 p.m., an Amtrak passenger train collided with a Jeep Cherokee that was parked on the train tracks killing two of the Jeep's occupants. The occupants of the Jeep were playing a game known locally as "Ghost Train."

On October 11, 2012, Governor Jay Nixon presented the Missouri Medal of Valor to Trooper Jim C. Cooksey for his valiant service on June 21, 2011. On June 21, 2011, Tpr. Cooksey responded when a sport utility vehicle ran off Missouri Route P into a flooded drainage ditch in New Madrid County. The SUV, submerged up to the luggage rack, was being swept rapidly downstream in St. John's Bayou. Tpr. Cooksey joined two civilians attempting to reach the driver and free her from the vehicle. The swiftly moving water was murky, and submerged and floating debris posed additional hazards. Tpr. Cooksey swam to the vehicle and assisted the civilians in rescuing the driver. He then swam with the driver to another trooper, who was positioned halfway between the vehicle and the

shore. Once on shore, Tpr. Cooksey and the other trooper performed CPR until an ambulance arrived. Sadly, despite the heroic efforts of Tpr. Cooksey and the other men, the victim did not survive.

Troop E

*** Patrol investigated fatalities = 50**
Total fatalities = 66

TROOP G

Organized in 1946. ● Located in Willow Springs, MO. ● Serves 9 counties.

Capt. Dwayne F. Istringhausen
Commanding Officer

Troop G responded to numerous grass fires during one of the worst droughts in history. As many random fires broke out in the Troop G area, officers were tasked with responding and assisting small departments with traffic control, first aid, evacuation, etc. On June 28, Trooper J. Clinton Howell responded to a traffic crash involving two vehicles on Missouri Route E south of Moody, MO. The vehicles collided after one of them pulled out to pass a volunteer fireman that had responded to an extremely large grass fire. The vehicle drove through heavy smoke in the wrong lane and struck another vehicle head-on, killing the driver and seriously injuring five additional occupants in the two vehicles.

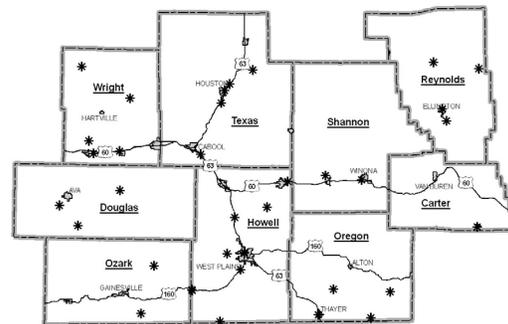

On August 19, a man from Niangua, MO, was arrested after an altercation with officers in Wright County. The man fired at officers responding to a well-being call at his residence. At the onset of darkness, he continued firing and exited his residence. The man got on his tractor and began ramming a deputy's patrol car. Sheriff Glenn Adler requested the Patrol helicopter with FLIR capability and Troop D's BearCat to aid in approaching the property in the dark. As ground teams approached the residence to observe, they saw the deputy's patrol vehicle on fire. Soon after, the Patrol helicopter located the man on foot near his residence. Using the Bearcat, officers approached him as he hid in a tree line and took him into custody. The man was heavily armed at the time of his arrest.

On December 12, 2012, Trooper Paul V.J. Volkmer initiated a search warrant on a residence within the city limits of West Plains, MO. The search was based on several weeks of intelligence Tpr. Volkmer compiled from a prior vehicle stop. The search warrant resulted in numer-

Lt. Mark G. Inman and Cpl. J. Clinton Howell respond to the scene of a grass fire.

Troop G

*** Patrol investigated fatalities = 37**
Total fatalities = 43

ous arrests regarding drug sales in the West Plains area. It was revealed that one individual was actively selling controlled substances as a main source of income. The suspect's residence was located near a public school and within 1,000 feet of a church with a daycare. The suspect was arrested for possession with intent to distribute a controlled substance (prior offender), felony possession of a controlled substance, and felony distributing controlled substance near a school, along with many other charges.

In December 2012, Sergeant Charley A. Hogue accepted the Unsung Hero Award for Region VII from Missouri Special Olympics. Sgt. Hogue's idea of conducting a 5k run/walk has become a mainstay in the community. The events have included hundreds of runners and raised a total of \$5,100.

TROOP H

Organized in 1946. ● Located in St. Joseph, MO. ● Serves 15 counties.

Capt. Duane L. Robinson
Commanding Officer

At 2 p.m. on January 12, 2012, troopers in Holt County recovered the body of Trooper Frederick F. "Fred" Guthrie Jr. On August 1, 2011, Tpr. Guthrie and his assigned canine "Reed" were swept away by flood waters in Holt County. Two days later, Reed's body was recovered. Tpr. Guthrie's body however did not surface, so a five and a half month intensive search began. Troopers who made the recovery were assisted by heavy equipment operators from Hill Brothers Construction. Hill Brothers Construction had been awarded a contract from the Missouri Department of Transportation to remove the sand from the fields in the area where Tpr. Guthrie disappeared.

On May 5-6, 2012, the Sound of Speed air show took place in St. Joseph, MO, at Rosecrans Air Base, which is the home of the 139th Airlift Wing. Twenty-six troopers, the MULES coordinator for Troops H and B, and one communications officer from Troop H provided security and communications during the two-day event. The attendance for the show was estimated at over 15,000. Troopers also directed traffic flow to and from the show.

On August 19, 2012, troopers working Interstate 35 near Bethany, MO, received a call of a 2010 Kia Sorento traveling northbound in excess of 100 mph. The Harrison County 9-1-1 dispatcher indicated the Kia was accelerating out of control and the driver required assistance. Corporal Justin S. Johnson and Trooper Ben R. Hilliard responded and, with emergency equipment activated, warned traffic for the next 65 miles, traveling more than 40 miles into Iowa, helping to save lives. The trek ended safely after the driver was instructed to press the brake and lift the accelerator at the same time.

In October, the brand new Troop H radio tower was completed. The previous tower was blown down during a severe thunderstorm in 2011. The new three-legged, 320-foot steel tower replaced the former 65-year-old tower.

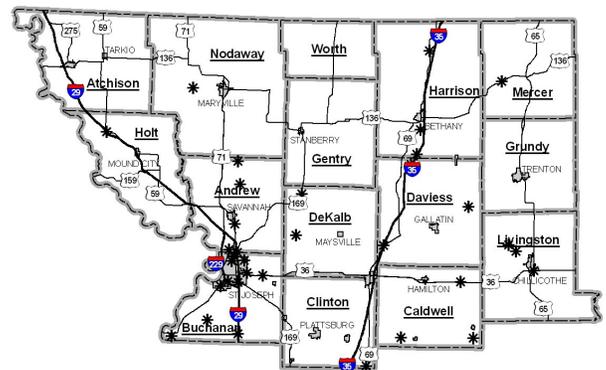

Fatalities in Troop H dropped significantly in 2012. A total of 38 deaths were recorded in 2012, compared to 42 in 2011. This trend was welcome news as the state fatality total saw an increase for the year. Special enforcement operations, educational programs, and the continuous

zero tolerance for seat belt violations have made a positive, cumulative effect on the fatality rate in Troop H.

Troop H's new radio tower was installed in October 2012.

Troop H

*** Patrol investigated fatalities = 30**
Total fatalities = 38

TROOP I

Organized in 1950. ● Located in Rolla, MO. ● Serves six counties.

Capt. Lee Ann H. Kenley
Commanding Officer

The graduation of the 94th and 95th recruit classes in 2012 resulted in five new officers beginning their careers at Troop I. The 2012 retirement of all three of the commercial vehicle officers assigned to Troop I ended an era that included many years of proud service to commercial vehicle safety by civilian personnel. This function is now conducted by commercial vehicle enforcement troopers.

During the months of February and March, Troop I conducted its first Student Alliance Program. The students were involved in many hands-on type activities representing a cross section of duties commonly performed by officers.

On March 16, 2012, Troop I investigators and troopers responded to a Meramec River access in Crawford County to assist the sheriff's department, when the bodies of three children and their mother were located. The investigation revealed the mother took the lives of her children before committing suicide.

On March 30, 2012, Corporal D. Mark Hedrick was honored at the IACP Banquet in Washington D.C., as one of four officers in North America chosen as a finalist for the IACP/Motorola Trooper of the Year award. Cpl. Hedrick's recognition was due to his exemplary actions when confronted by a known, armed, and dangerous fugitive.

In April, employees of Troop I assisted in the area Special Olympics competition held at Fort Leonard Wood. In May, a special torch run was conducted from

Troop I

*** Patrol investigated fatalities = 39**
Total fatalities = 44

Sullivan, MO, to Rolla, MO, along Interstate 44. In 2012, Troop I employees raised \$7,100 for this outstanding cause.

On August 25, a contingent of Troop I officers successfully helped maintain peace and order throughout the annual "Bull Float" held in Crawford County. The 2012 event reportedly was one of the largest and consisted of several thousand canoeists and rafters, who departed on the Huzzah River and floated to a take-out point on the Meramec River near the Onondaga State Park.

(l to r) Sgt. Mike A. Mitchell, Sgt. Justin L. McCullough, Tpr. Joe T. Peart, Capt. Lee Ann H. Kenley, Lt. Jim W. Remillard attended the Mothers Against Drunk Driving (MADD) conference in St. Louis. MADD recognized Tpr. Peart for his efforts in removing impaired drivers from Missouri's roadways.

AIRCRAFT DIVISION

Lt. David K. Striegel
Director

During 2012, the Missouri State Highway Patrol's Aircraft Division safely and effectively provided numerous, important, airborne law enforcement services to the citizens of the state. Ten full-time pilots, strategically located around the state, assisted with this mission as well as an aircraft fleet of five helicopters, eight single-engine airplanes, and one twin-engine King-Air.

The helicopters provided assistance with searches for wanted and missing persons, surveillance, marijuana eradication, and assessing the damages from natural disasters. A SAR (search and rescue) and FLIR (forward looking infrared) camera-equipped helicopter, assigned to Jefferson City, conducted numerous aerial searches for wanted individuals and missing persons.

The single-engine Cessna 182 airplanes provided assistance with traffic enforcement, criminal searches, criminal surveillance, and personnel relays.

A twin-engine King-Air aircraft provided personnel transport for elected officials, members conducting criminal investigations, and other state agencies to various airports in Missouri and the following out-of-state locations: Leesburg, FL; Cahokia, IL; Detroit, MI; Zanesville, Ohio; Miami, OK; Del Rio, Texas; Newport News, VA; and Washington, D.C.

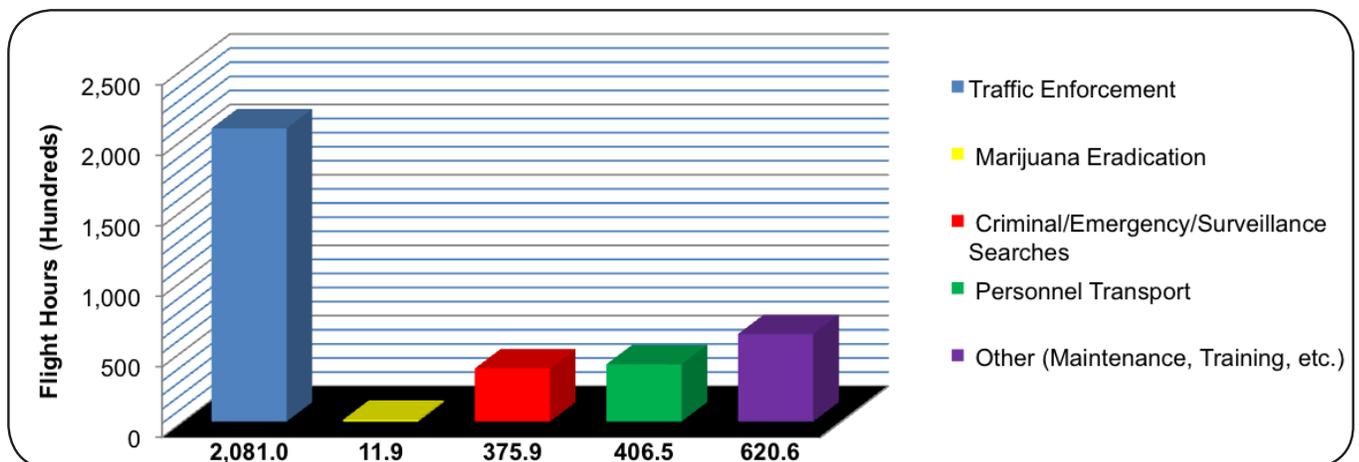

This FLIR image was taken from a Patrol helicopter during a nighttime mission.

This Cessna 182 aircraft is used primarily for traffic enforcement.

2012 FLIGHT HOURS

WATER PATROL DIVISION

The Water Patrol Division houses three primary statutory functions: boater education, navigational aid regulation, and regatta administration. The division also performs various administrative functions.

Major Thomas E. Roam
Director

Boater Education

All boaters born after January 1, 1984, are required to take a boater education course and possess a boater education card and photo ID while boating on Missouri Lakes. Each year, thousands of boaters receive boater education provided by the Patrol through courses taught by troopers and via our online provider.

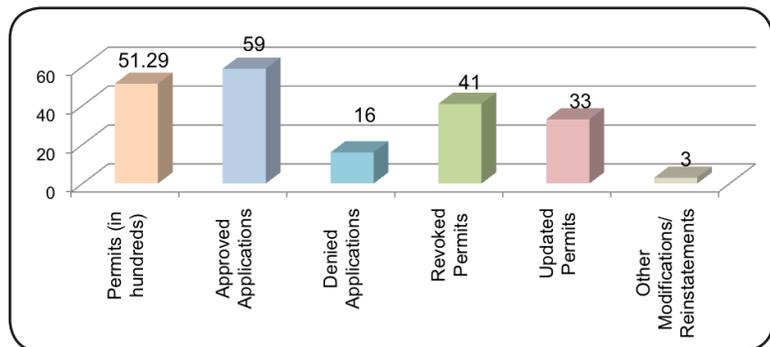

Navigational Aid Regulation

All buoys and other navigational aids in Missouri are permitted by the Highway Patrol. As of December 31, 2011, there were 5,111 approved permits around the state. Permittees are required to maintain their buoys in a serviceable condition. The division audits buoys and permits to verify accurate ownership, placement, and buoy condition.

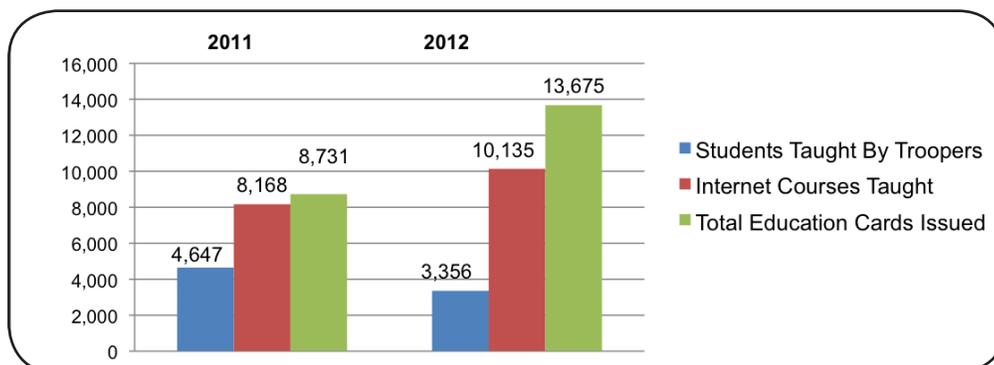

Regattas

Regattas and organized events such as parades, races, and fishing tournaments are required to be permitted by the Highway Patrol. Thousands of regattas are permitted annually. The Highway Patrol assures that specific areas are not overloaded with boating traffic. On major events such as boat races, sponsors will be required to have proper medical staffing and other aids to assure the safety of both participants and spectators.

BUOY PERMITS

BOATING EDUCATION

CRIME LABORATORY DIVISION

Mr. William E. Marbaker
Director

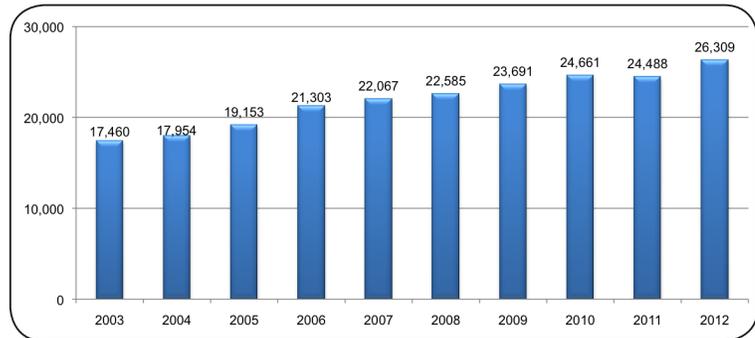

The Crime Laboratory Division provides forensic science support to the Missouri State Highway Patrol as well as numerous other local, state, and federal law enforcement agencies. The division analyzes physical evidence recovered from criminal investigations, offering the forensic specialties of drug analysis, DNA, toxicology, firearms and toolmarks, latent prints, and trace evidence. More than 80 percent of the 26,309 cases received by the division in 2012 were from outside agencies. Over 500 different law enforcement agencies submit casework to the division.

The Crime Laboratory Division holds international accreditation (ISO/IEC 17025) by the American Society of Crime Laboratory Directors/Laboratory Accreditation Board (ASCLD/LAB). The laboratory system benefits from continuous quality improvement through focused surveillance visits by ASCLD/LAB assessors annually and with major, system-wide assessments every five years.

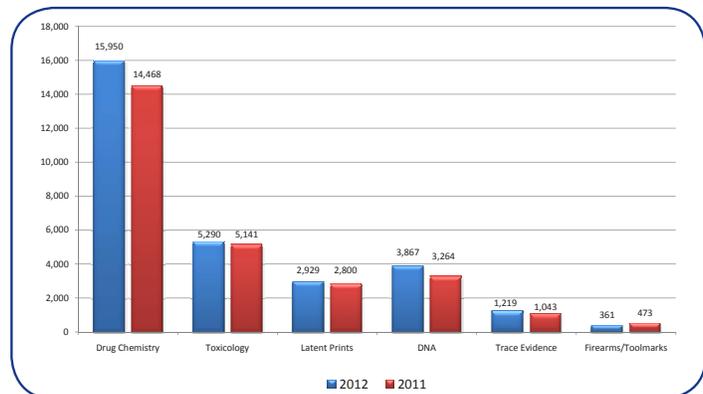

There are eight crime laboratories in the Crime Laboratory Division. The General Headquarters Crime Laboratory in Jefferson City and the Springfield, MO, Crime Laboratory are both full-service crime labs offering all services listed above. The Cape Girardeau Crime Laboratory offers forensic services in DNA, drug chemistry, toxicology, and latent prints. The crime laboratories in Macon, Willow Springs, Park Hills, and St. Joseph, MO, offer drug chemistry testing, while the crime lab in Carthage, MO, offers latent print analysis in addition to drug chemistry.

The Crime Laboratory is responsible for managing the state's Combined DNA Index System (CODIS). This computer network allows for rapid matching of DNA profiles from crime scenes to known offender profiles in local, state, and national DNA databases. As of 2012, the National DNA Index System (NDIS) contained over 11.4 million offender samples and 466,000 forensic (crime scene) samples. Missouri is currently ranked 14th in the nation in offender samples submitted to NDIS and seventh in the nation for crime scene samples submitted to NDIS. In 2012, the CODIS section analyzed 19,329 offender DNA samples and produced a total of 888 "hits" between crime scene samples and offender samples in the database.

CASES SUBMITTED TO MSHP CRIME LAB

CASE SUBMISSIONS TO CRIME LAB BY EXAM REQUEST THROUGH DECEMBER 31, 2012

DIVISION OF DRUG & CRIME CONTROL

Capt. Sarah L. Eberhard
Director

In 2012, the Division of Drug and Crime Control included the following: Criminal Investigative Units, which includes the nine polygraph examiners; Digital Forensic Investigative Unit; Explosives Disposal/Technical Services Unit; Forensic Accounting Unit; Lottery/Juvenile/Missing Persons Unit; Motor Vehicle Unit; Narcotics/Vice Unit; Organized Crime/Anti-Terrorism Unit; Public Information and Education Unit; Rural Crimes Investigation Unit; Violent Crime Support Unit; and HIDTA (High Intensity Drug Trafficking Area).

Criminal investigators assigned to the division conducted a total of 686 investigations. Investigators conducted 188 homicide/death investigations, 164 sex crime investigations, 103 special investigations, and numerous other investigations related to crimes against persons and property. Division polygraph examiners conducted 456 total exams, which consisted of 115 specific issue or criminal examinations and 341 pre-employment examinations.

The Narcotic/Vice Unit activity included 387 search warrants and 441 consent searches. Officers assisted with 22 interdiction follow-up investigations. As a result of these continued investigations, additional monies, property, and drugs were seized. Officers responded to 541 incidents related to clandestine laboratories and conducted a total of 3,259 narcotic investigations in 2012.

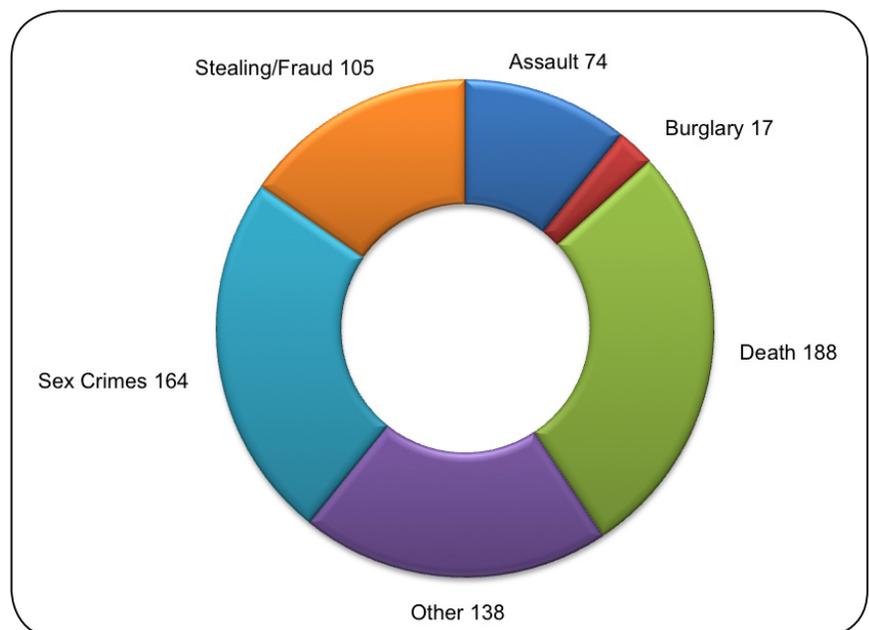

The Violent Crime Support Unit managed 25 active investigations, seven of which were new investigations in 2012.

In 2012, a fourth member was added to the Digital Forensic Investigative Unit. Officers handled 195 calls for service and examinations.

At this time, 10 full-time criminal investigators, as well as two full-time criminal intelligence analysts, are assigned to the Rural Crimes Investigative Unit (RCIU). This unit is funded through the American Recovery and Reinvestment Act to combat rural crime in Missouri. The RCIU's supervisors and analysts attend meetings with the Governor's Livestock & Farm Protection Task Force to discuss the unit's activities and network with stakeholder organizations, including the Missouri Department of Agriculture, the Missouri Sheriffs' Association, the

Livestock Marketing Association, Missouri Farm Bureau, and the Missouri Cattleman's Association. Through continued outreach to the Missouri Department of Agriculture, the RCIU can benefit from the network of interested parties that already exist within the recently formed state initiative Missouri Livestock and Farm Protection Task Force. In 2012, the RCIU worked 187 cases, made 41 arrests, and recovered \$1,270,360 in stolen property.

2012 TOP CRIMINAL INVESTIGATIONS BY DDCC INVESTIGATORS

GAMING DIVISION

Capt. Kevin A. Geiger
Director

The Gaming Division has an authorized strength of 128 members and three civilian employees. The division is divided into three primary areas: Administrative Services Section, Investigative Unit, and Enforcement Unit. The Administrative Services Section oversees the collection and preservation of evidence, training, overtime/special projects, and motor equipment fleet management. The Investigative Unit conducts comprehensive background investigations of individuals, companies, and suppliers applying for licensure with the Missouri Gaming Commission. This section is also responsible for conducting specialized investigations related to gaming offenses, white-collar crimes, and public corruption cases, as well as investigations related to Missouri's charitable gaming industry.

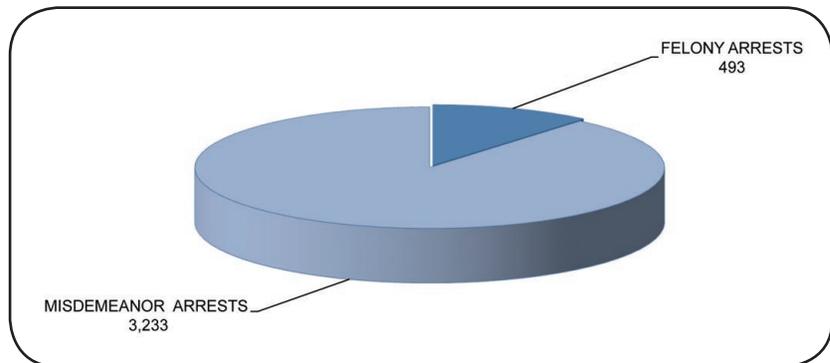

There are 13 Class B (riverboat) licensees, 34 supplier/manufacturing companies, and 10,012 active occupational licensees, all of which require some level of investigative and regulatory oversight by Patrol members. During 2012, investigators were involved with 543 investigations. The unit is also responsible for providing oversight and conducting investigations related to Missouri's 316 licensed charitable gaming operations. Members of the unit initiated 27 charitable gaming investigations last year, which included annual re-licensing investigations, illegal gambling device cases, and administrative complaints.

During 2012, members assigned to the Enforcement Unit conducted 2,548 criminal investigations, made 3,726 arrests, generated

9,457 gaming reports, and contributed 150 pieces of intelligence into the MoSPIN intelligence network. Officers assigned to the Gaming Division processed 774 disassociated persons (problem gamblers) and addressed for hundreds of other regulatory matters, for which the Highway Patrol is responsible.

The passage of Proposition A in November 2008, limited the maximum number of licensed casinos to 13. In October 2012, Isle of Capri — Cape Girardeau opened as Missouri's 13th casino.

GOVERNOR'S SECURITY DIVISION

Capt. Michael V. Meyer
Director

The Governor's Security Division is responsible for providing security for the governor and his immediate family. The division coordinates and provides protection for visiting governors and other dignitaries. All 50 states currently have governor's security details within their highway patrol/state police. Reciprocity, intelligence, and cooperation between all details and the United States Secret Service are established through the National Governor's Security Association.

During 2012, division members handled 468 travel assignments for Governor Jay Nixon involving 111 different cities in Missouri, and travel to 17 cities in other states. The division handled 194 travel assignments for Mrs. Nixon involving 39 cities in Missouri, and travel to 14 cities in other states. Additionally, the division handled Governor and Mrs. Nixon's six-day economic development trip to the country of Brazil.

Sgt. Dusty L. Hoffman and Capt. Michael V. Meyer escort Gov. Jay Nixon from the House of Representatives after the Missouri State of the State.

The division handled security for other visiting dignitaries, including the governors of Florida, Kentucky, Louisiana, New Jersey, Ohio, Virginia, Wisconsin, and West Virginia.

Governor Nixon and President Obama spoke at the Joplin High School graduation ceremony, and attended several events to commemorate the one-year anniversary of the devastating tornado which struck

Joplin in 2011.

The division was involved in escorting the governor and first lady to the Democratic National Convention in Charlotte, NC. This took months of preparation and several trips to North Carolina to coordinate operations with the U.S. Secret Service and the North Carolina State Highway Patrol.

2012 was an election year, causing more extensive coordination of travel logistics. The division had to coordinate its manpower with the different troops involved in order to provide the necessary security. As traditionally done, the division provided security for both major party candidates on election night.

Members of the division attended dignitary protection training conducted by the North Carolina State Highway Patrol and the United States Secret Service.

(r) Sgt. Thad M. Wilson and (l) Sgt. Jason J. Whitt provide security for the governor during a University of Missouri-Columbia football game.

MISSOURI INFORMATION ANALYSIS CENTER

Capt. David A. Hall
Director

The Missouri Information Analysis Center (MIAC) serves as Missouri's intelligence fusion center. It operates 24 hours per day, 365 days per year. MIAC collects, evaluates, analyzes, and disseminates information and intelligence to agencies tasked with homeland security responsibilities. The center collects incident reports of suspicious activities to be analyzed in an effort to identify potential trends of terrorist or criminal operations within the state. MIAC also functions as a vehicle for communication between federal, state, and local law enforcement. The MIAC includes personnel from the U.S. Department of Homeland Security, Federal Bureau of Investigation, Missouri Department of Corrections, MSHP's Division of Drug and Crime Control, and the Missouri National Guard.

Retail Crimes Program

The MIAC has committed resources to assist Missouri retailers in sharing mutually beneficial information to combat the growing and costly effects of organized retail crime. During 2012, the Missouri Organized Retail Crimes Association's portal, which is housed on the MIACX Web site, had a membership of 120 law enforcement agencies with 321 officers and 48 retailers with 138 employees. MIAC maintains the dedicated Web site and provides one analyst to assist in this project.

Fugitive Apprehension Program

This program works in conjunction with the Missouri Department of Correction's Probation and Parole Division, as well as the U.S. Marshal's Service, for the apprehension of probation and parole absconders. The MIAC is dedicated to the research and future apprehension of absconders in the state of Missouri by providing one analyst and maintaining a dedicated Web site.

Regional Intelligence Programs

Currently, the MIAC is involved in two intelligence sharing initiatives, one of which is in the St. Louis area consisting of 125 agencies; the other consists of 18 counties in the southwest corner of the state as well as surrounding states. These projects assist local agencies in an effort to share incident and crime alerts. Each initiative is dedicated a full-time analyst to prepare a daily bulletin and complete analytical work. In addition, each

initiative is provided a dedicated portal for sharing information on the MIACX website.

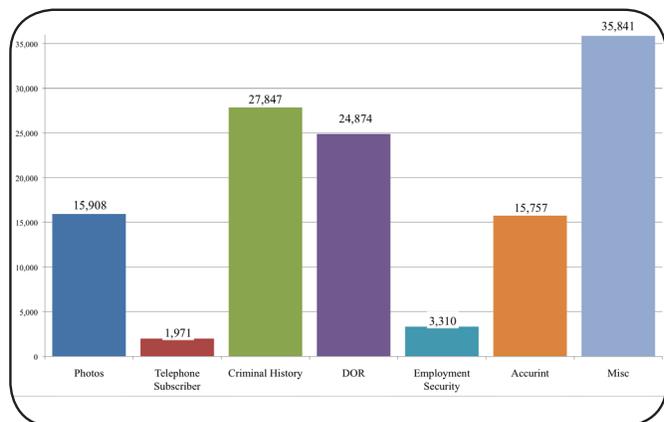

Suspicious Activity Reports

The MIAC continues to vet Suspicious Activity Reports to be entered into the state of Missouri's portal to be accessed by all participating agencies. This information is then shared at the national level for further evaluation. Currently, state and local fusions centers, as well as the Department of Homeland Security, contribute to the shared space database.

Critical Infrastructure/ Key Resources

The MIAC continues to assist with Missouri's Critical Infrastructure/Key Resources. During 2012, there were four reports produced. The first was an over arching report of all sectors followed by individual reports on the agriculture, banking, and chemical sectors.

2012 CALLS FOR SERVICE BY TYPE

TECHNICAL SERVICES BUREAU

Major Timothy P. McGrail is commander of the Technical Services Bureau with oversight responsibility for the Criminal Justice Information Services, Information and Communications Technology, Research and Development, and Traffic Records divisions.

Major Timothy P. McGrail
Commander

CRIMINAL JUSTICE INFORMATION SERVICES DIVISION

Capt. Larry W. Plunkett Jr.
Director

The Criminal Justice Information Services Division (CJISD) compiles and disseminates complete and accurate criminal history record information, including criminal incident and arrest reports, statistics, and the sex offender registry information for criminal and noncriminal justice purposes in the most timely and efficient manner. The CJIS Division is committed to providing quality service while ensuring the integrity of the data it maintains through high quality training and auditing.

Computerized Criminal History System — The Missouri Automated Criminal History Site (MACHS) ran 793,810 criminal background checks in 2012. Of those, 93.87 percent were returned instantly to the requestor. In addition, a new fingerprint portal was established within MACHS to allow individuals to register for an appointment to be fingerprinted with 3M/Cogent, the state fingerprint services vendor. In 2012, 73,354 individuals registered to be fingerprinted via MACHS.

Missouri Sex Offender Community Notification System — This program allows the public to sign up for automated e-mail updates concerning sexual offenders that live, work, or go to school in their area. Since its inception, 7,199 individuals have signed up to receive these notifications.

Automated Fingerprint Identification System (AFIS) — AFIS processes nearly 1,600 tenprints daily. Over 86 percent of tenprints process via lights out. Approximately 90 percent of all transactions are processed within one hour. 2012 marked the first full year of Missouri's Fast ID Program. Fast ID enables the remote capture and search of fingerprints through the state AFIS database as well as the FBI's Repository of Individuals of Special Concern (RISC). The RISC database is comprised of 2 to 3 million records of sex offenders, federal fugitives, and known or suspected terrorists. A single, two-finger submission searches both databases and returns results in about 30 seconds. On November 29, 2012, Missouri became the 10th state to interface with the RISC.

Information Technology Security Section — During 2012, the Security Section participated in the tri-annual FBI IT Security Audit. During the course of this audit, several local agencies were evaluated for compliance with the FBI's CJIS Security Policy. The Security Section continues to work with those agencies and others receiving state audits to improve their information security practices. The section also work with local, state, and federal agencies to replace dedicated MULES connections with less expensive Internet-based VPN

connections. By providing this MULES connection method at a much lower cost, this effort has led to an expansion of the overall MULES network, reaching agencies that were prohibited access previously by budget constraints. The section also continues to provide information security training and assisting agencies and contractors with questions regarding the FBI's CJIS Security policy and information security.

Uniform Crime Reporting (UCR) — During 2012, the Missouri UCR Program Office compiled and analyzed monthly crime statistics from 662 Missouri law enforcement agencies in order to draft the annual "Crime in Missouri," "Missouri Hate Crime Report," and "Governor's Report on Domestic Violence-Related Homicides and Suicides" publications.

CJIS Audit Unit — During 2012, the CJIS Division's Audit Unit conducted 477 criminal justice and 152 non-criminal justice on-site Policy Compliance Reviews statewide to ensure compliance with state and federal legislation on criminal history access, storage, dissemination, use, and misuse.

Missouri Uniform Law Enforcement System (MULES) Training Unit — In 2012, seven MULES trainers conducted 221 classes and trained 3,321 users. In addition, they met with agencies to review MULES policies and procedures for adherence to FBI/NCIC. The following classes were conducted: MULES, MULES Recertification, Mobile Data Terminal, Inquiry Level, Department of Corrections, INOCH, Sex Offender Registry, and Terminal Agency Coordinator. Trainers also instructed at the following statewide conferences: Missouri Association of Public-Safety Communications Officials (MOAPCO)/Missouri national Emergency Number Association (MONENA), Missouri Police Clerks Conference, and MOAPCO Training Symposium.

INFORMATION & COMMUNICATIONS TECHNOLOGY DIVISION

Capt. Kim E. Hull
Director

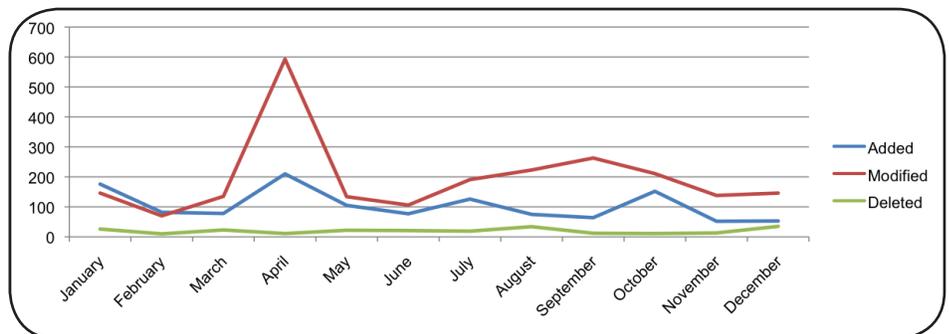

This year was the first full year of operation for the newly created Information and Communications Technology Division (ICTD). ICTD combined communications and information systems' functions, workload, and responsibilities.

Two significant accomplishments during the year are the completion of the transition from an analog-based phone system to IP-based phones. The effort started in 2011, with the majority of the project being completed in 2012. The new phones offer increased functionality, usability, and significant reduction in cost.

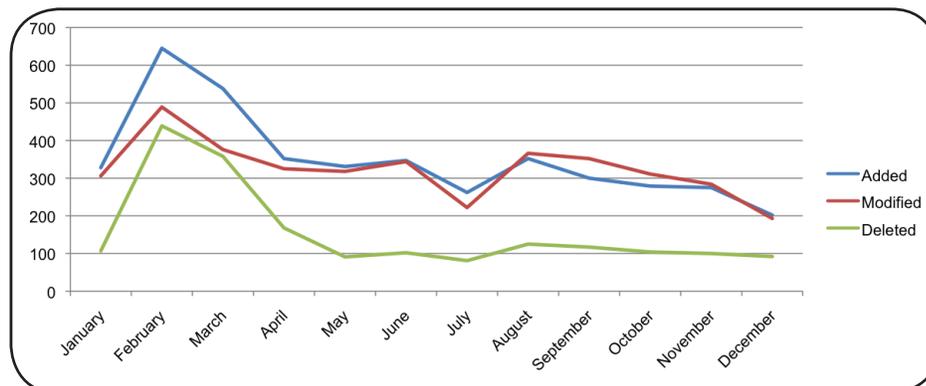

The charts on this page reflect the activity concerning maintenance of user accounts (adding, modifying, and deleting accounts) with respect to the Patrol network and MULES for 2012. At the end of October, the account repository held 12,503 accounts.

In November/December, the division added 14,914 Regional Justice Information Systems (REJIS) users representing a 120 percent increase and bringing the total account balance to 27,417. Approximately seven percent—832 users out of the 12,503 user accounts—require monthly maintenance tasks (adds, deletes, modifications).

PATROL NETWORK ACCOUNTS 2012 YEAR END TOTALS

MULES ACCOUNTS 2012 YEAR END TOTALS

RESEARCH & DEVELOPMENT DIVISION

Capt. Timothy G. Baysinger
Director

The Research and Development Division is responsible for maintaining international accreditation by the Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA); managing the agency forms management system; performing staff inspections; coordinating Patrol strategic planning activities; conducting external services assessments; managing the written directives system and PowerDMS; coordinating the statewide property control system; composing and maintaining the Patrol Emergency Operations Plan (EAP); and conducting staff studies and general research.

During 2012, employees assigned to the Research and Development Division responded to 86 requests for information from agencies inside and outside Missouri.

The Missouri State Highway Patrol Reporting Guide was updated three times during 2012. The Reporting Guide contains due date information and related policy references.

The biennial review process for agency directives continued to involve those directives for which substantial or critical suggestions were received. Annual reviews of high-liability policies were conducted.

The division continued to coordinate efforts with other divisions to provide informative presentations on PowerDMS. PowerDMS is a computer program used to facilitate electronic distribution and retention of agency directives, surveys, and training materials. The program provides documented validation that employees have received and read an issued directive. PowerDMS was used to distribute 18 training presentations and 134 Patrol directives to employees in 2012. Eleven tests were administered in the system to validate employees' understanding of information. Seven employee surveys were conducted through PowerDMS as a part of the staff inspection process.

Division members continued a professional affiliation with CALEA, the State Agency Coalition (SAC), the Missouri Law Enforcement Accreditation Coalition (MOLEAC), and other agencies involved in the accreditation process. Division members provided CALEA accreditation-related information to other agencies on 19 occasions during 2012. The division director continues to serve as president of MOLEAC.

During August 2012, two CALEA assessors conducted an on-site assessment. Due to previous successful on-site assessments, assessors utilized a Gold Standard Assessment process to examine selected accreditation standard files to confirm ongoing compliance by the Patrol. Increased emphasis was placed on assessors conducting interviews and observing agency

practices. CALEA granted the Patrol a seventh accreditation award, with excellence, on November 17, 2012.

Division members completed staff studies on the use of force, vehicular pursuits, TASER X-2, critical incident stress management, and boating education certification card law.

Division inspectors, with assistance from inspectors-in-place, performed staff inspections of seven divisions and three troops. External services assessments of Patrol components having significant interaction with other entities were conducted in conjunction with troop staff inspections.

The division's assistant director served as the chairperson of the Strategic Planning Committee as it reviewed and revised the 2011-2013 Strategic Plan.

Unannounced property room inspections occurred at all troops and the Gaming Division during 2012.

During 2012, Forms and References Section personnel created 30 new forms, reviewed 268 forms, and revised 254 paper-based or electronic forms. This section also handled 4,436 calls for assistance related specifically to the Automated Field Reporting System in 2012.

Pictured are (l to r) CALEA Executive Director Sylvester Daughtry Jr., Capt. Timothy P. McGrail, Q/CJISD, Sgt. Jeffrey L. Coulson, Q/RDD, Capt. Timothy G. Baysinger, Q/RDD, Sgt. William R. Lowry, Q/RDD, Col. Ron Replogle, and Commission Chair Louis M. Dekmar at the CALEA awards ceremony in November 2012.

TRAFFIC RECORDS DIVISION

Capt. Bradley W. Jones
Director

The Traffic Records Division serves as the data repository of statewide motor vehicle and marine crash reports, alcohol- and drug-related traffic offenses, dispositions on Missouri State Highway Patrol traffic and marine arrests, and statewide assignment of unique numbers for inclusion on Uniform Citations (UC). The division also maintains Missouri's Fatality Analysis Reporting System (FARS) for the National Highway Traffic Safety Administration (NHTSA), as well as the General Headquarters Message Center for the superintendent and his staff.

In 2012, the division processed a total of 137,325 motor vehicle traffic crash reports submitted by Patrol officers and local agencies, 194 marine crash reports, and 21 accidental drowning reports. In addition, the division processed a total of 14,202 reports that were non-traffic in nature, meaning a trafficway was not involved. The division added a total of 383,119 traffic and marine offense dispositions to the Traffic Arrest System/DWI Tracking System (TAS/DWITS) database.

The division accepts traffic crash reports in an electronic format from various local agencies. A total of 46,483 electronic reports from 107 local agencies and the Patrol were processed. The advantages of electronic submission of reports includes more timely analysis of crash data and relieving local agencies from the requirement to forward paper copies of reports to the Patrol; thereby freeing their personnel for other duties.

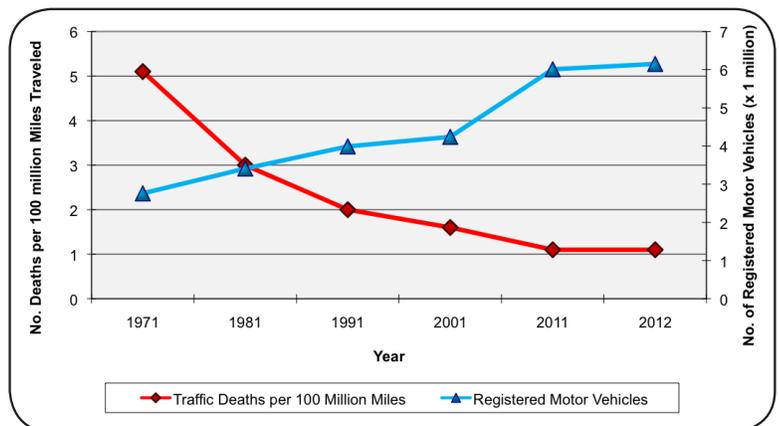

2012 Traffic Crash Statistics

In 2012, Patrol officers and local agencies reported 137,325 motor vehicle traffic crashes to the Traffic Records Division. This was a decrease of 5,654 from the previous year. These reports revealed 826 people were killed and 50,317 injured during the year. This is equivalent to one person killed or injured every 10.3 minutes on Missouri trafficways. The estimated economic loss associated with these traffic crashes was \$3,299,083,100, which is an increase of \$85,850,100 from 2011.

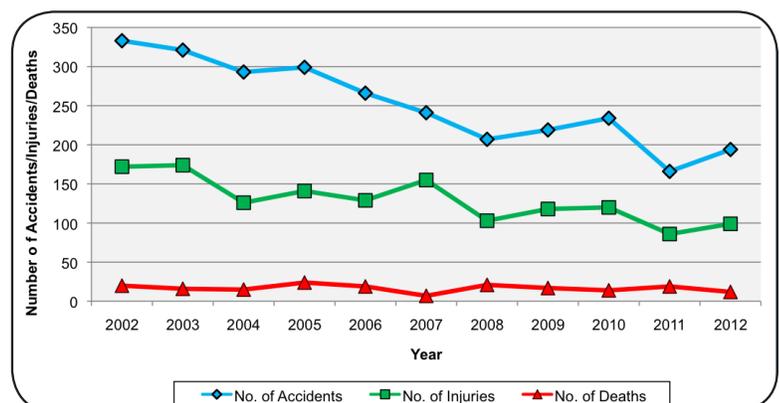

2012 Boating Crash & Accidental Drowning Statistics

In 2012, Patrol officers investigated 194 boating crashes. This was an increase of 28 from the previous year. These reports revealed 12 people were killed and 99 injured. Patrol officers also investigated 21 incidents of accidental drowning.

SUPPORT SERVICES BUREAU

Major Dale A. Schmidt is commander of the Support Services Bureau with oversight responsibility for the Commercial Vehicle Enforcement, Driver Examination, Motor Equipment, Motor Vehicle Inspection, and Public Information and Education divisions; Capital Improvements; and Governmental Affairs.

Major Dale A. Schmidt
Commander

COMMERCIAL VEHICLE ENFORCEMENT DIVISION

Capt. Londell Jamerson
Director

The Commercial Vehicle Enforcement Division coordinates the uniform enforcement of commercial vehicle laws and regulations. The division is currently comprised of 114 commercial vehicle officers and commercial vehicle inspectors who operate 23 fixed weigh stations and 24 portable scale trucks. In addition, the Patrol has 32 commercial vehicle enforcement troopers and approximately 27 other troopers who are certified to perform various levels of the North American Standard Inspection which enhance the Patrol's commercial vehicle enforcement efforts.

The Commercial Vehicle Enforcement Division is responsible for the Patrol's Radiological Nuclear Detection Program. The division coordinates the training for the R/ND program and assists with hazardous materials training.

As part of the Patrol's Radiological Nuclear Detection Program, the CVE Division assisted Major League Baseball with security at this year's All-Star event from July 5-10, 2012, in Kansas City, MO. CVE personnel screened all concession and vendor vehicles that entered the Truman Sports Complex to deliver goods.

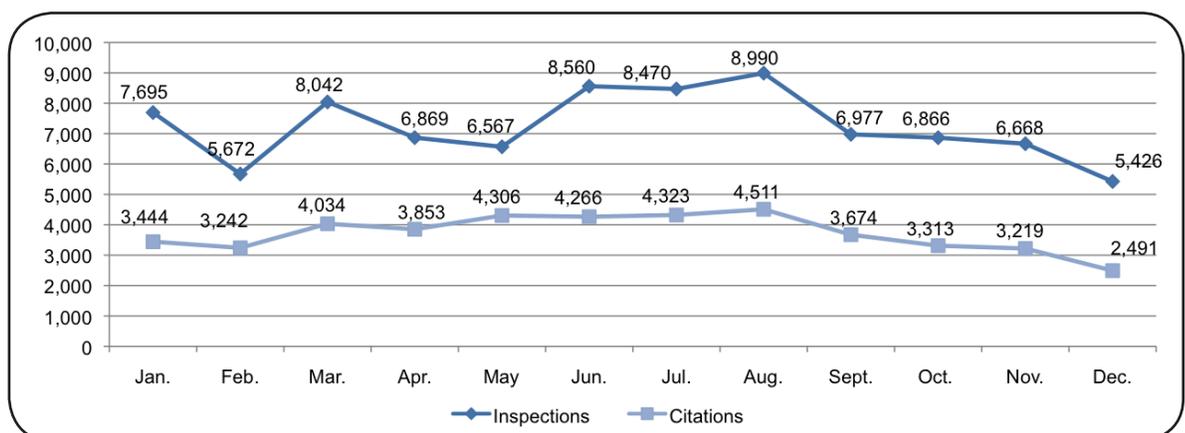

Cpl. Michael P. Fennewald, Troop A, speaks with a commercial vehicle driver.

In 2012, enforcement efforts included:

- Seven commercial vehicle stops resulting in the seizure of \$376,910 and 1,518.5 pounds of marijuana.
- The completion of 86,802 commercial vehicle inspections, which resulted in the issuance of 44,676 citations.

DRIVER EXAMINATION DIVISION

Capt. Lester D. Elder
Director

The overall responsibility of the Driver Examination Division is to provide an effective program of driver testing to ensure that Missouri licensed drivers have a level of competency consistent with safe driving habits and practices, as well as demonstrate skills and knowledge of Missouri laws related to traffic safety.

There are 156 driver examination locations throughout Missouri with offices in each of the state's 114 counties and the city of St. Louis. Thirteen of these locations are CDL skills test sites. Nineteen full-time, five-day-per-week offices are located in the urban areas of Kansas City, St. Louis, Springfield, St. Joseph, Joplin, Jefferson City, and Columbia.

The Driver Examination Division provides administrative and staff support for the programs in the field. Some of the responsibilities of the division include:

- program direction and guidance;
- coordination of site selection;
- rental and lease contract processes for all driver examination office locations;
- liaison to the Department of Revenue, Federal Motor Carrier Safety Administration, and field personnel;
- correspondence and personal contacts concerning the driver examination program;
- training;
- grant writing and oversight;
- equipment and supplies procurement; and
- overall program budget control.

MOTOR EQUIPMENT DIVISION

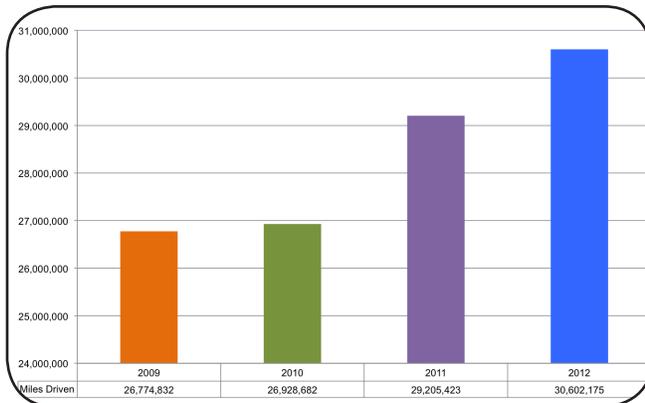

Mr. Larry G. Rains
Director

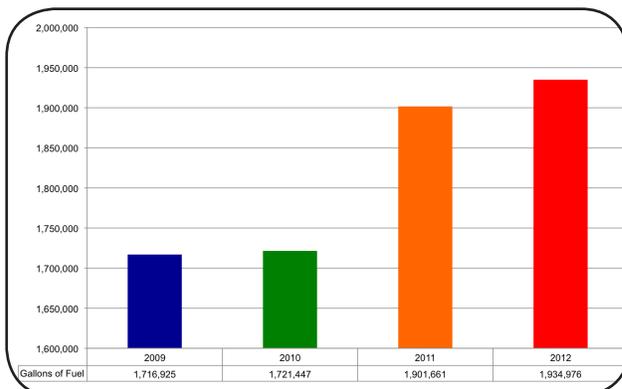

The Motor Equipment Division directs the procurement, assignment, maintenance, repair, and eventual sale of Missouri State Highway Patrol vehicles and vessels. There were approximately 1,420 motor vehicles and 130 vessels in operation within the Patrol fleet in 2012. Please see charts on this page for important statistics pertaining to the Motor Equipment Division. Each chart represents data for years 2009 through 2012.

The Motor Equipment Division is also responsible for building and grounds maintenance and housekeeping at the General Headquarters Waggoner Building and other Patrol facilities in the Jefferson City area. The division provides support to Patrol building and grounds maintenance staff statewide, and works closely with the Office of Administration Facilities Management, Design and Construction Division, on statewide capital improvements and maintenance projects.

MOTOR VEHICLE INSPECTION DIVISION

Capt. Malik A. Henderson
Director

The Motor Vehicle Inspection Division is responsible for the statewide administration of motor vehicle inspection programs. This consists of the Motor Vehicle Safety Inspection Program, the School Bus Inspection Program, the VIN/Salvage Examination Program, and the Emission Inspection Program (St. Louis area). Additionally, the division has administrative supervision over 60 motor vehicle inspection personnel assigned to troops state-wide.

The primary responsibility of motor vehicle inspectors is the supervision of the Motor Vehicle Safety Inspection Program. At the close of 2012, there were 4,524 licensed inspection stations in the state. During 2012, approximately 2.5 million vehicles in Missouri received a safety inspection. The sale of inspection stickers, decals, station licenses, and signs resulted in revenues of over \$3.8 million being deposited into various state funds according to statutory requirements.

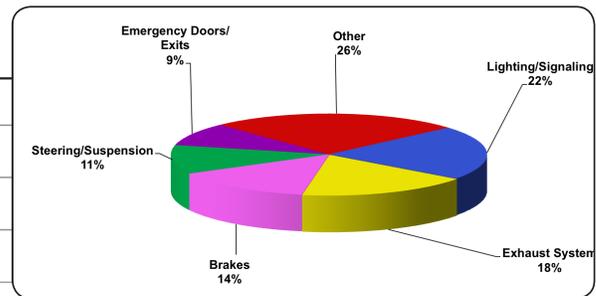

Each year, the Patrol conducts safety inspections on every school bus used in Missouri to transport students to and from home for the purpose of education. During 2012, 11,934 school buses were inspected with 10,538 buses approved during initial inspection (an 88.3 percent approval rate), 1,156 buses rejected due to minor defects, and 240 buses placed out-of-service due to major defects. The Total Fleet Excellence Award was presented to 256 school districts with bus fleets achieving an approval rat-

ing of 90 percent or better with no out-of-service items; and 6,027 buses statewide received the Patrol's Total Fleet Excellence sticker. In addition to annual inspections, 1,315 buses were inspected randomly following the start of the 2012-2013 school year to determine their mechanical condition during unscheduled visits.

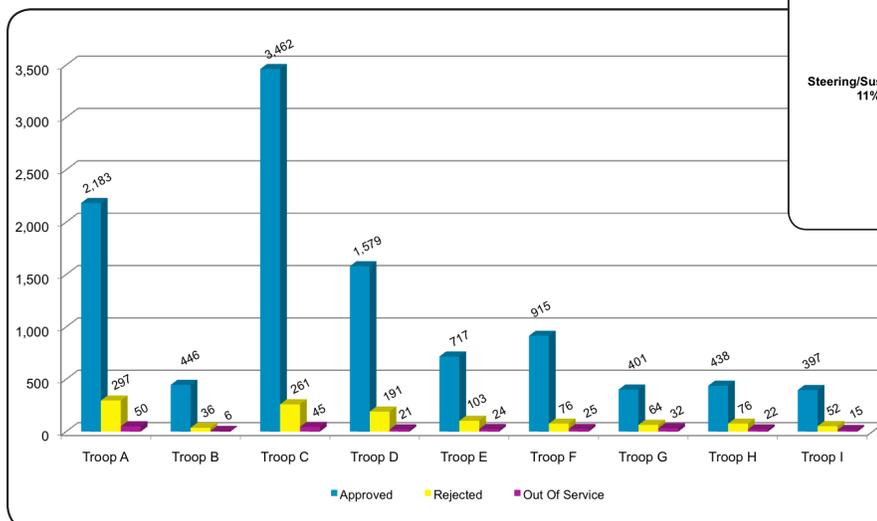

Salvage vehicle examinations are conducted at each of the troop headquarters, service centers, and other locations designated by each troop commander. In 2012, 21,520 salvage and abandoned vehicle inspections and VIN verifications were performed.

At the close of 2012, 841 safety inspection stations were licensed to perform on-board diagnostic emission inspections as part of the Gateway Vehicle Inspection Program. Revenues generated by the Motor Vehicle Inspection Division through the program totaled approximately \$1.95 million in 2012.

2012 SCHOOL BUS INSPECTIONS BY TROOP

PUBLIC INFORMATION & EDUCATION DIVISION

Capt. Jay T. Hull
Director

The Public Information and Education Division issued 68 news releases and 27 sets of public service announcements during 2012. The division also reviewed and posted on the Internet an additional 560 news releases from the 13 public information and education officers assigned throughout the state and to the Division of Drug and Crime Control. The pie chart on this page illustrates a summary of their activities.

Division responsibilities:

- Press Conferences (organized statewide)
- Talking Points/Speeches (upon request)
- Brochures (review and creation)
- Patrol Annual Report
- Patrol News (bimonthly)
- Art Projects (224)
- Awards (71)
- Certificates (797)
- IDs/Commission Cards (384)
- Building IDs (370)
- Business Cards (1,392)
- Media Card Requests (307)
- Colonel Alvin R. Lubker Memorial Safety & Education Center (7,624 visitors)
- Negatives Scanned (12,931)
- Order/Folders Scanned (98)
- Print Order Requests (41)
- Number Of Prints Printed (1,693)
- Photographer Requests (71)
- Engraving Requests (150)
- Items Engraved (433)

The Missouri State Highway Patrol and the Missouri Department of Transportation hosted a **Distracted Driving Summit** on February 16-17, 2012, at the Capital Plaza Hotel, in Jefferson City, MO. Eighty-one people attended. Division members joined other attendees to develop a PowerPoint presentation. It is hoped the PowerPoint will aid in educating Missouri citizens about distracted driving.

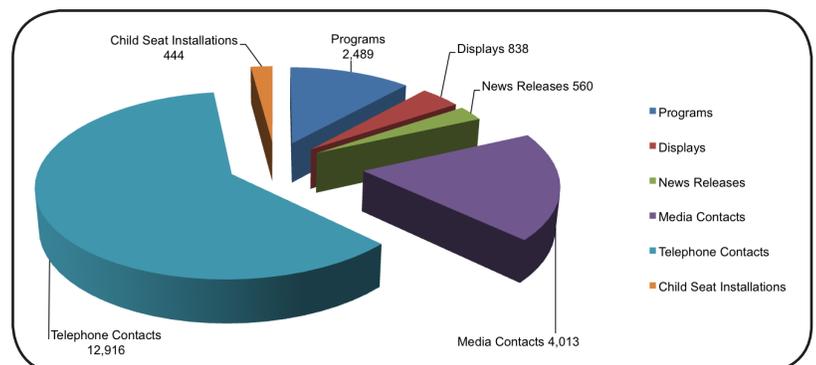

Members of the Public Information and Education Division assisted with **"Click It 4 Life!"** seat belt PSAs including Troop C officers and Cardinals baseball players. Cardinals players Matt Carpenter, Jon Jay, Joe Kelly, Shelby Miller, and Jason Motte stood alongside Sgt. Al P. Nothum, Sgt. Amy E. Reynolds, Tpr. Derek A. Mason, and Tpr. Juston R.

Wheatley, all Troop C. The PSAs have been posted on the Patrol's Web site. They can be accessed by clicking on the video library link on the home page.

Colonel Ron Replogle, superintendent of the Missouri State Highway Patrol, announced the renaming of the Patrol's Safety Education Center to the **Colonel Alvin R. Lubker Memorial Safety & Education Center**. This change was effective December 22, 2012. Throughout his career, Col. Alvin R. Lubker promoted his belief that education and enforcement were a vital part of highway safety. (Col. Al Lubker died November 13, 2012, in Scottsdale, AZ.)

The division worked with public information and education officers in the NCAA's Southeastern Conference to create a public service announcement. State law enforcement agencies from Alabama, Georgia, Kentucky, Mississippi, Missouri, Tennessee, and Texas recorded part of the announcement. Lt. John J. Hotz and Capt. J. Timothy Hull, both Q/PIED, represented Missouri in the PSA. The PSA, which begins with footage from a University of Missouri-Columbia football game, was shown before home games. It was provided to all SEC football programs. The PSAs can be accessed by clicking on the video library link on the Patrol's home page.

PUBLIC INFORMATION & EDUCATION OFFICERS' ACTIVITIES

ADMINISTRATIVE SERVICES BUREAU

Major Kemp A. Shoun is commander of the Administrative Services Bureau with oversight responsibility for the Budget and Procurement, Human Resources, and Training divisions.

Major Kemp A. Shoun
Commander

BUDGET & PROCUREMENT DIVISION

Capt. Lance M. MacLaughlin
Director

The Budget & Procurement Division prepares and presents the Missouri State Highway Patrol budget requests to the governor. It analyzes Patrol expenditures to identify trends that need to be included in future budget requests. The division maintains records of all expenditures incurred and all revenue received by the agency during the year, and uses this information in preparing future budget requests and to provide information for the state auditor. Division personnel administer federal grants and fulfill all associated reporting requirements.

Administration & Payroll Section

The Administration & Payroll Section is responsible for all employee paychecks. Section personnel track all legislation and prepare fiscal notes on proposals that could have an impact on Patrol operations.

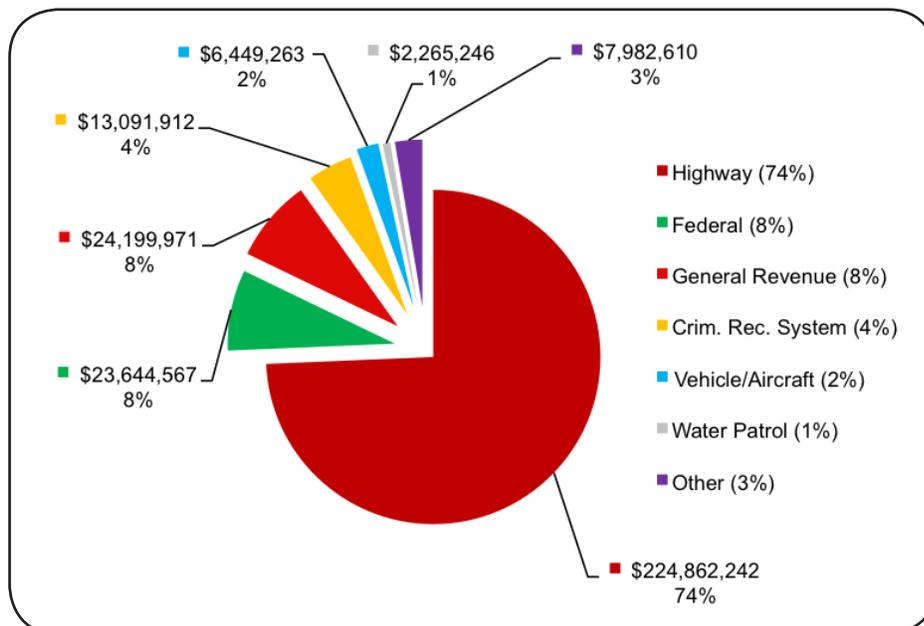

Budget & Analysis Section

The Budget & Analysis Section oversees accounts payable and accounts receivable for the Patrol, including the processing of vendor payments, employee expense, and uniform allowance reports. Section personnel are responsible for deposits made for the Patrol.

Supply and Procurement Section

The Supply and Procurement Section coordinates Patrol purchases. Section personnel maintain a stock of necessary supplies and issue them as needed to agency personnel throughout the year. The section maintains an inventory record of assets owned by the Patrol. Section personnel produce forms, brochures, and other printable material in line with the operation of the Patrol for use by people inside and outside the organization.

FY12 OPERATING BUDGET BY FUND SOURCE

HUMAN RESOURCES DIVISION

Capt. David A. Flannigan
Director

The Human Resources Division coordinates personnel and employee-related functions for Patrol components to further efforts in attracting, selecting, and retaining a qualified workforce. In 2012, there were 2,304 full-time Patrol employees, with 22 full-time employees assigned to the Human Resources Division. The listed items represent the major functions performed by the Human Resources Division in 2012.

Administrative Services

- Received 2,205 civilian applications for employment.
- Processed 1,782 requests for new hires, promotions, reclassifications, and transfers.
- Processed 70 retirements and 62 resignations.
- Coordinated GHQ/Troop F "Take Our Children To Work Day" for 106 employees and their children.
- Responded to 2,000 SAM II and Time Reporting System inquiries.
- Conducted member in-service training for 33 sessions, and taught blocks of instruction during the Patrol's Management and Executive Development schools.
- Conducted training session for newly-elected sheriffs.

Recruitment

Patrol recruiters:

- attended over 318 recruiting events (32% increase).
- administered selection process written and fitness testing throughout the state.
- provided recruiter training for all part-time recruiters.
- logged 4,428 hours performing recruitment activities.
- placed print advertisements for Patrol careers in newspapers in each county of the state.
- secured three radio advertising campaigns for the position of trooper.
- maintained a presence on Facebook, which has over 10,200 followers.
- responded to emails and over 3,190 telephone calls on the recruitment line.
- facilitated 11 college students' participation in the internship program.

Trooper Selection Process

The Human Resources Division received 4,144 trooper pre-employment inquiries for the position of trooper in 2012. This is up from 2,503 pre-employment inquiries in 2011. The 95th Recruit Class began training in 2012 with 30 recruits. The 96th Trooper Selection Process took place in 2012 with training beginning January 2013. The 97th Trooper Selection Process began in 2012.

TRAINING DIVISION

Capt. David P. Perkins
Director

The Missouri State Highway Patrol's Training Division provides centralized training programs at the Law Enforcement Academy in Jefferson City, as well as preparing, conducting, and coordinating continuing education, management training rule, and recertification courses in decentralized locations throughout the state. The Academy is an approved peace officer training center under Chapter 590 RSMo. As such, it provides certified basic and career enhancement courses to any law enforcement officer upon proper application and payment of appropriate fees.

The Academy graduated 26 new troopers in 2012. The 95th Recruit Class began training on April 2 and graduated September 21, 2012.

Patrol employees received training on various topics at the Academy. Some areas that were highlighted in 2012 include training and retraining for civilian personnel from all Patrol divisions.

In 2012, 12,361 seats were occupied in the 700 Patrol recertification sessions. Also in 2012, 21,093 seats were occupied in 988 continuing education classroom sessions, totaling 60,764 session hours of continuing education training.

All Patrol managers and supervisors received specialized training in order to comply with the state's revised management training rule. In 2012, 24,955 seats were filled in the 1,196 management training rule classroom sessions, totaling 48,989 session hours of management training rule topics.

In a cooperative effort with Mineral Area Community College in Park Hills, MO, 11 students applied for college credit for their studies at the Patrol Academy in 2012. This program has been duplicated by other state police academies in the United States.

The Academy provided marine enforcement training for 31 incumbent members during a four-week course. The training focused on watercraft law and crash investigation, boat operation, stop and approach tactics, water survival, and other related topics.
